Excursions in World Music Bruno Nettl, Thomas Turino, Isabel Wong, Charles Capwell, Philip Bolman, Byron Dueck, Timmothy Rommen, 2015-09-25 Explore the relationship between music and society around the world This comprehensive introductory text creates a panoramic experience for beginner students by exposing them to the many musical cultures around the globe Each chapter opens with a

musical encounter in which the author introduces a key musical culture Through these experiences students are introduced to key musical styles musical instruments and performance practices Students are taught how to actively listen to key musical examples through detailed listening guides The role of music in society is emphasized through chapters that focus on key world cultural groups **Sanskrit Play Production in Ancient India** Tarla Mehta,1995-01-01 Sanskrit Play

Production in Ancient India moves through three levels of understanding 1 What the components of the traditional Natya Production are as described in Natyasastra and other ancient Indian dramaturgical works how they are interrelated and how they are employed in the staging of Rasa oriented sanskrit plays Probing deep into the immense reaches of time to India s archaic past the author pieces together a fascinatingly intricate design of play production down to the units and subunits of expression and executive **Semiosis in Hindustani Music** José Luiz Martinez,2001-01-01 For thousands of years music

in India has been considered a signifying art Indian music creates and represents meanings of all kinds some of which extend outwardly to the cosmos while others arise inwardly in the refined feelings which a musical connoisseur experiences when listening to it In this book the author explores signification in Hindustani classical music along a two fold path Martineq first constructs a theory of musical semiotics based on the sign theories of Charles Sanders Peirce He then applies his theory to the analysis of various types of Hindustani music and how they generate significations The author engages such fundamental issues as sound quality raga tala and form while advancing his unique interpretations of well known semiotic phenomena like iconicity metalanguage indexicality symbolism Martinez s study also provides deep insight into semiotic issues of musical perception performance scholarship and composition An specially innovative and extensive section of the book analyzes representations in Hindustani music in terms of the Indian aesthetic theory of rasa The evolution of the rasa system as applied to musical structures is traced historically and analyzed semiotically In the light of Martinez s theories Hindustani music reveals itself to be both a delightfully sensuous and highly sophisticated system of acoustic representations The

Scattered Court Richard David Williams,2025-10-08 Presents a new history of how Hindustani court music responded to the political transitions of the nineteenth century How far did colonialism transform north Indian music In the period between the Mughal empire and the British Raj how did the political landscape bleed into aesthetics music dance and poetry Examining musical culture through a diverse and multilingual archive primarily using sources in Urdu Bengali and Hindi that have not been translated or critically examined before The Scattered Court challenges our assumptions about the period Richard David Williams presents a long history of interactions between northern India and Bengal with a core focus on the two courts of Wajid Ali Shah 1822 1887 the last ruler of the kingdom of Awadh He charts the movement of musicians and dancers between the two courts in Lucknow and Matiyaburj as well as the transregional circulation of intellectual traditions and musical genres and demonstrates the importance of the exile period for the rise of Calcutta as a celebrated center of Hindustani classical music Since Lucknow is associated with late Mughal or Nawabi society and Calcutta with colonial

modernity examining the relationship between the two cities sheds light on forms of continuity and transition over the nineteenth century as artists and their patrons navigated political ruptures and social transformations The Scattered Court challenges the existing historiography of Hindustani music and Indian culture under colonialism by arguing that our focus on Anglophone sources and modernizing impulses has directed us away from the aesthetic subtleties historical continuities and emotional dimensions of nineteenth century music
