Situation Ethics Joseph F. Fletcher, 2012-03 It is possible though not easy to forgive Professor Fletcher for writing his book for he is a generous and lovable man It is harder to forgive the SCM Press for publishing it As Professor Dunstan's remarks in The Guardian show Situation Ethics is not a book which can be read in tranquillity It arouses vigorous feelings for or against for its thesis is a controversial one While some argue that Dr Fletcher is a ready made devil's advocate Church of England Newspaper the Bishop of Woolwich on the basis of an earlier article described Dr Fletcher's approach as the only ethic for man come of age To resist it in the name of religious sanctions will not stop it it will only ensure that the form it takes will be anti Christian Like many philosophers Frederick Copleston had his reservations but concluded that Dr Fletcher's belief that in Christian ethics love is the supreme value seems to me unquestionably valid In its new paperback form this book is certain of continued attention in the current discussion of ethical problems Joseph Fletcher was Professor of Social Ethics at the Episcopal Theological School Cambridge Mass His other book on this theme is Moral Responsibility Situation Ethics at Work 25s

Fletcher's Situation Ethics David Mills Daniel, 2013-01-25 This book discusses Fletcher's situation ethics which basically states that sometimes other moral principles can be cast aside in certain situations if love is best served It is one of the main ethical theories studied in all introductory courses on Christian ethics
