WINNER OF THE SALTIRE SOCIETY LITERARY AWARD 1994 Intimate humorous effortlessly combining the strands of history and folklore the past and the present this is a deceptively simple book like a tale told to a child But its echoes sound on unforgettably A whole universe is created from a grain of Orkney sand Independent In this novel set on the fictitious island of Norday in the Orkneys George Mackay Brown beckons us into the imaginary world of the young Thorfinn Ragnarson the son of a crofter In his day dreams he relives the history of this island people travelling back in time to join Viking adventurers at the court of the Byzantine Emperor in Constantinople then accompanying a Falstaffian knight to the battle of Bannockburn Thorfinn wakes to the twentieth century and a community whose way of life steeped in legend and tradition has remained unchanged for centuries But as the boy grows up and falls in love with a vivacious and mysterious stranger the transforming effect of modern civilization brings momentous and irreversible changes to the island During the Second World War Thorfinn finds himself in a German prisoner of war camp and it is here that he discovers his gifts as a writer Long afterwards he returns now a successful novelist to a deserted and battle scarred island Searching for the peace and freedom of mind he had in abundance as a child he finds instead something he didn t even know he was looking for George Mackay Brown intertwines myth and reality to create a novel of deceptive simplicity The story of Thorfinn and the island of Norday is a universal and profound one rooted in the timeless landscape of the Orkneys the inspiration of all his writing **The**

Identity and Space in Children's Literature Terri Doughty, Dawn Thompson, 2011-12-14 Traditionally in the West children were expected to know their place but what does this comprise in a contemporary globalized world Does it mean to continue to accept subordination to those larger and more powerful Does it mean to espouse unthinkingly a notion of national identity Or is it about gaining an awareness of the ways in which identity is derived from a sense of place Where individuals are situated matters as much if not more than it ever has In children's literature the physical places and psychological spaces inhabited by children and young adults are also key elements in the developing identity formation of characters and through engagement of readers too The contributors to this collection map a broad range of historical and present day workings of this process exploring indigeneity and place tracing the intertwining of place and identity in diasporic literature analyzing the relationship of the child to the natural world and studying the role of fantastic spaces in children's construction of the self They address fresh topics and texts ranging from the indigenization of the Gothic by Canadian mixed blood Anishinabe writer Drew Hayden Taylor to the lesser known children's books of George Mackay Brown to eco feminist analysis of contemporary verse novels The essays on more canonical texts such as Peter Pan and the Harry Potter series provide new angles from which to revision them Readers of this collection will gain understanding of the complex interactions of place space and identity in children's literature Essays in this book will appeal to those interested in Children's Literature Aboriginal Studies Environmentalism and literature and Fantasy literature **Travellers** George Mackay Brown, 2014-03-27 These unknown and sometimes unexpected poems by
