Slow Way Back A Novel:

The Slow Way Back Judy Goldman, 2000-10-24 Tracing three generations of a Southern Jewish family this remarkable debut novel peers into deeply rooted family secrets explores the complex love between sisters and celebrates the constant human struggle to keep one's history alive Set in the Carolinas it tells the stories of three sets of sisters each of whom shares a delicate closeness that is shattered by secrets and truths by matters of faith and by long held resentments This beautifully rendered novel raises penetrating questions about filial love marriage and belonging **About a Boy** Nick

Hornby, 1999-05-01 A wise hilarious novel from the beloved award winning author of Dickens and Prince Funny Girl and High Fidelity Will Freeman may have discovered the key to dating success If the simple fact that they were single mothers meant that gorgeous women women who would not ordinarily look twice at a Will might not only be willing but enthusiastic about dating him then he was really onto something Single mothers bright attractive available women thousands of them were all over London He just had to find them SPAT Single Parents Alone Together It was a brilliant plan And Will wasn't going to let the fact that he didn't have a child himself hold him back A fictional two year old named Ned wouldn't be the first thing he'd invented And it seems to go quite well at first until he meets an actual twelve year old named Marcus who is more than Will bargained for

Together Judy Goldman, 2020-01-21 Novelist and poet Judy Goldman's inspiring account of the mishap that left her husband paralyzed how it tested their marriage and their struggle to regain their normal life When Judy Goldman's husband of almost four decades has a routine spinal injection to alleviate back pain he is instantly paralyzed from the waist down a phenomenon no doctor can explain or undo She's forced to take over navigating the byzantine medical world they suddenly find themselves in Her husband is forced to give in This is the starting point for Together which looks at the changes every couple faces the slow ordinary ones brought about by time and the sudden dramatic ones that take us by surprise Identities shift roles switch How do we adjust How do we let go of the if onlys Together is a deeply honest story about the life we dream of and the life we make an elegant and empathetic meditation on what happens to love over time and all at once **Religion in the Contemporary South** Corrie Norman (E.), Donald S. Armentrout, 2005 Religion has always

been crucial to the cultural identity of the South The field of southern religious studies is quite young however and most scholarship has focused on the kinds of evangelical fundamentalist activity for which the phrase Bible Belt was coined Religion in the Contemporary South is the first book to fully address the emerging religious pluralism in the South today Featuring an introduction by Samuel S Hill Religion in the Contemporary South brings together fourteen essays by both established and emerging scholars that deal with a spectrum of topics These topics include religious identities in the South that weave in and out of the past new religious expressions in the South and the shifting position of old minority traditions and a microcosmic look at the Episcopal Church The collection comes at a time of sweeping change in the South as the 150 year stronghold of evangelical Protestantism the Baptist Methodist hegemony gives way to a more diverse religious tradition one that includes

leadership by women decreasing marginalization for Roman Catholicism and Judaism and the growing presence of so called alien religious traditions Buddhism Hinduism and Islam In his essay *A Crumbling Empire* Bill J Leonard talks about the future of the Baptist denomination which grows more uncertain as moderates break ties with the fundamentalist leaders of the Southern Baptist Convention In *Our Lady of Guadeloupe Visits the Confederate Memorial* Thomas Tweed notes the growth of Hindu Buddhist and Muslim traditions in the South Susan Ridgely Bales examines the state of southern Catholicism in *Sweet Tea* and *Rosary Beads* and in *Quiet Revolutionaries* D Jonathan Grieser Corrie E Norman and Don S Armentrout discuss the ways in which women priests in the Southern Episcopal Church construct their lives and callings These and other offerings are varied comprehensive and provocative As the South changes and its religious life evolves so must scholarship Religion in the Contemporary South is a guide to the new southern religions more diverse sometimes controversial but as vital to the region as ever
