

Sm 70 Slave Path The

Wim S. M. Hoogbergen

Sm 70 Slave Path The:

Congressional Record United States. Congress, 1978 **The Boni Maroon Wars in Suriname** Wim S. M. Hoogbergen, 1990 This a fascinating account of the history of the Boni Maroons Aluku Maroons of Surinam and French Guiana from about 1730 until 1860 Based on archival data oral history and the literature the author paints an overall picture of this interesting Maroon history of guerilla warfare slave resistance and rebellion *The Vengeance of God* Eric Peels, 2021-11-22 This book deals with the Old Testament theme of the vengeance of YHWH discussing both the exegetical and theological aspects of a biblical notion that until now has received far too little attention in scholarly research After an exploration of the Umwelt use of the root NQM vengeance avenge in the main part of the study all relevant Old Testament texts are dealt with in a thorough exegetical investigation This leads to a theological outline which stresses the important place and positive function of God's vengeance in the Old Testament revelation The theories of G E Mendenhall P Volz and K Koch with regard to the theme of vengeance are criticized Of special interest are the additional sections on the issues of blood vengeance and the imprecatory prayers **NEC Research & Development** ,1984 *Negro Yearbook* ,1925

Optics Letters ,1994 **Black Rodeo in the Texas Gulf Coast Region** Demetrius W. Pearson, 2021-05-11 Black Rodeo in the Texas Gulf Coast Region Charcoal in the Ashes provides an in depth sociocultural and historical analysis of the genesis and contemporary state of affairs regarding African American rodeo cowboys in southeast Texas whose ancestors were instrumental in the development of the most celebrated livestock management industry in the world The author painstakingly chronicles the origin of the Texas cattle industry from its Mexican roots to Austin's Colony better known as the George Plantation Ranch where African Americans were intimately involved in the livestock management industry since its inception Although enslaved before during and after the Republic of Texas was established they were early stakeholders in the expansion of the western frontier and an indispensable source of labor that facilitated the burgeoning cattle industry Yet as the author maintains American history wantonly trivialized marginalized and blatantly omitted their contributions This book sheds light on these early cowboys and their descendants who have participated in America's most prominent prole sport with little to no media exposure The author dubbed them Shadow Riders of the Subterranean Circuit and even though American sports are integrated African American rodeo cowboys may be metaphorically seen as bits of charcoal spread among ashes *The Leper King and His Heirs* Bernard Hamilton, 2005-07-07 The reign of King Baldwin IV of Jerusalem 1174-85 has traditionally been seen as a period of decline when because of the king's illness power came to be held by unsuitable men who made the wrong policy decisions Notably they ignored the advice of Raymond of Tripoli and attacked Saladin who was prepared to keep peace with the Franks while uniting the Islamic near east under his rule This book challenges that view arguing that peace with Saladin was not a viable option for the Franks that the young king despite suffering from lepromatous leprosy the most deadly form of the disease was an excellent battle leader who strove with some

success to frustrate Saladin's imperial ambitions that Baldwin had to remain king in order to hold factions in check but that the society over which he presided was contrary to what is often said vigorous and self-confident

Life Application Study Bible Tyndale, 2021-11 Today's #1 selling study Bible the Life Application Study Bible has been significantly expanded and thoroughly updated.
