Museum Exhibitions and Suspense Ariane Karbe, 2022-12-29

Museum Exhibitions and Suspense takes insights from screenwriting to revolutionise our understanding of exhibition curating. Despite all genuine efforts to reach broader audiences, museums persistently fear risking their credibility by becoming too popular. Thus, the enormous potential to learn from other storytelling forms, more experienced in the field of entertainment, remains essentially unexploited. Museum Exhibitions and Suspense unlocks this creative potential. A comparative in-depth analysis of three classical Hollywood films and three cultural historical exhibitions demonstrates how dramatic suspense techniques can be applied to exhibitions. These techniques must be adapted to the typical epic character of the exhibition medium. By differentiating between mild and wild suspense, the book provides a new understanding of the nature of suspense itself. Museum Exhibitions and Suspense addresses academics and students in the fields of museum studies, gallery studies, and heritage studies, interested in how exhibitions function and in how to achieve dramaturgical effects like suspense. It also appeals to scholars and students within film studies who want to gain a deeper understanding of suspense. It provides an important resource for curators and other museum practitioners and scriptwriters who intend to create stories with a wide audience appeal.

The Edgar Wallace Mystery & Suspense MEGAPACK®: 5 Classic Novels

Edgar Wallace, 2018-06-27. Richard Horatio Edgar Wallace (1875–1932) was born into poverty as an illegitimate London child and left school at age 12. He joined the army at age 21 and was a war correspondent during the Second Boer War for Reuters and the Daily Mail. Struggling with debt, he left South Africa, returned to London, and began writing thrillers to raise income, publishing books including *The Four Just Men* (1905). Drawing on his time as a reporter in the Congo covering the Belgian atrocities, Wallace serialised short stories in magazines such as *The Windsor Magazine* and later published collections such as *Sanders of the River* (1911). He signed with Hodder and Stoughton in 1921 and became an internationally recognised author. After an unsuccessful bid to stand as Liberal MP for Blackpool as one of David Lloyd George's Independent Liberals in the 1931 general election, Wallace moved to Hollywood where he worked as a script writer for RKO studios. He died suddenly from undiagnosed diabetes during the initial drafting of *King Kong* (1933). Wallace was such a prolific writer that one of his publishers claimed that a quarter of all books sold in England were written by him. As well as journalism, Wallace wrote screen plays, poetry, historical non-fiction, 18 stage plays, 957 short stories, and over 170 novels, 12 in 1929 alone. More than 160 films have been made of Wallace's work. He is remembered for the creation of *King Kong* as a writer of the colonial imagination for the J.G. Reeder detective stories and for *The Green Archer* serial. He sold over 50 million copies of his combined works in various editions, and *The Economist* describes him as one of the most prolific thriller writers of the 20th century. Included in this volume are *Four Just Men*, *The Angel of Terror*, *The Blue Hand*, *The Clue of the Twisted Candle*, *The Valley of Ghosts*.
