Small Enterprise Development:

Small Enterprise Development Philip A. Neck, Robert E. Nelson, 1987 **Value for Money?** Malcolm Harper, Gerry Finnegan, 1998 The authors show that it is possible to measure and compare the costs and benefits of small enterprise development programmes and that donors NGOs tax payers and small business people themselves should demand that those who are responsible for such programmes must demonstrate that they are providing value for money Small Business, Entrepreneurship and Enterprise Development Graham Beaver, 2002 Providing an introduction to the establishment development and managerial issues confronting the smaller enterprise this text is particularly concerned with the kinds of action and behaviour that seem to characterise successful new business ventures Small Enterprise Development in South-East Europe Will Bartlett, Milford Bateman, Maja Vehovec, 2012-12-06 Since the end of the Kosovo war in 1999 increasing attention has been paid to the problems of economic development and reconstruction in South East Europe In a context of limited resources small and medium sized enterprises SMEs have a key role to play in creating jobs and building a dynamic entrepreneurial economy Small Enterprise Development In South East Europe presents important findings from recent empirical research on key factors which hinder sustainable SME growth in South East Europe Finance is identified as a critical barrier to growth and the role of commercial banks micro finance institutions and credit cooperatives in assisting growth is addressed Yet finance alone is not enough A rebuilding of social capital a reduction of the unofficial or grey economy and the promotion of inter firm networks and clusters are also of vital importance in promoting sustainable growth The book concludes with critical analyses of SME policies in Albania Croatia and Macedonia countries which hitherto have received little attention in the literature Small Enterprise Development in South East Europe will be of great interest to policy makers business consultants and academics and post graduate students working on economic development and reconstruction in South East Europe *Small Enterprise Development* P.
