Smart Exercise Burning Fat Getting Fit:

Smart Exercise Covert Bailey, 1996-01-05 A popular fitness expert presents a complete program for exercising and training that refutes widespread weight loss fallacies while explaining how to lower body fat and improve health

Creative Fitness Henry B. Biller, 2002-05-30 Biller integrates research about exercise nutrition and health within an applied developmental psychological framework Readers are presented with ways of making fitness an enjoyable and positive force in their daily lives Although a major focus is on how to get in shape Biller's primary mission is to encourage a healthy lifestyle that enriches self awareness and personal growth The goal is not just to facilitate physical fitness but to enhance overall life satisfaction The book's uniqueness accordingly lies in its ability to help individuals develop a creative playful approach to fitness in all spheres of their lives While some readers are just beginning to think about fitness because of a desire to lose weight and improve their appearance others are more interested in refining their athletic skills or achieving a greater balance in their daily activities Dedicated exercisers often are striving for new routines and ways to prevent burnout Many parents moreover are searching for activities to help their children as well as themselves become more fit Older individuals are especially likely to be concerned about staying healthy and avoiding physical dependence as they age Biller speaks to all these concerns and all these groups by providing an approach to getting in shape that enriches self understanding and mental vitality

Upgraded Chef: 12 Core Recipes to Supercharge Your Body & Brain Dave Asprey, 2012-09-11 ABOUT THE BOOK This cookbook has been a decade in the making As a bio hacker I look at cooking as one of the variables that leads to better personal performance It's not just the quality of your food it's how it's prepared Being upgraded I take this stuff more personally than most people for good reason This is the diet that helped me lose 100 lbs and keep it off since the late 90s This is the diet that fixed and upgraded my brain function It's the basis of the diet I created to help my wife Lana a Karolinska trained physician restore her fertility so we could start a family at about age 40 after Lana was diagnosed with polycystic ovary syndrome PCOS by her OB GYN who said she'd likely be infertile This is literally the diet that transformed my health my family my career and my life Bulletproofing yourself More than 100 000 people come to my blog every month to learn about how to eat to upgrade their bodies their brains and their lives You can see their unsolicited testimonials on the site people who lose 20 or more pounds in 6 weeks without cutting calories The guy who lost 75 pounds in 75 days The physicians who use it in their practices This recipe book isn't going to teach you everything you need to know about the Bulletproof Diet or even all the ways it works You can find this info for free on Bulletproofexec.com where it can help the most people Fuel your body with upgraded food This recipe book is going to teach you how to use safe delicious cooking techniques to prepare meals that taste amazing but also fuel your body and mind to levels of performance beyond what you probably believe you're capable of We focus on three main types of cooking because they are the most versatile flavorful simple ways to create Bulletproof food Bulletproof food is high in healthy fats 50-70% of
