Smugglers Dog:

War, Police and Watch Dogs E. H. Richardson, 2017-09-29 First published in 1910 this vintage book explores the various uses of dogs in war in the police force and in the home As much an exposition on what a dog can do as what a dog cannot do this handbook offers the reader a wealth of valuable information and it will be of significant utility to those with a practical interest in training dogs War Police and Watch Dogs is also highly recommended for those wishing to train a guard dog and it would make for a worthy addition to collections of allied literature Contents include Dogs for Attack and Defence Historical Dogs for Police Service as used Abroad The Executive Dog The Criminal Tracking Dog Breeds in use on the Continent Police dogs for the United Kingdom The Executive and the Criminal Tracking Dog Reasons for Employing Dogs The English Executive Dog etc Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this volume now in an affordable modern high quality addition complete with the original text and artwork

The Smugglers Charles George Harper, 1909 Opinions have ever been divided on the question of the morality or the immorality of smuggling This is not in itself remarkable since that subject on which all men think alike has not yet been discovered but whatever the views held upon the question of the rights and wrongs of the free traders craft they have long since died down into abstract academic discussion Smuggling is indeed not dead but it is not the potent factor it once was and to what extent Governments are justified in taxing or restricting in any way the export or the import of goods will not again become a living question in this country until the impending Tariff Reform becomes law There have been those who reading the proofs of this book have variously found in it arguments for and others arguments against Protection but as a sheer matter of fact there are in these pages no studied arguments either way and facts are here presented just as they are retrieved from half forgotten records with no other ulterior object than that of entertainment But if these pages also serve to show with what little wisdom people live and generally have been governed they may not be without their uses England it may surely be gathered here and elsewhere is what she is by sheer force of dogged middle class character and in spite of her statesmen and lawgivers

The Storks Came Back Afien Kamminga, 2017-09-11 In April 1940 when his country Denmark is invaded and occupied by Nazi Germany seven year old Morten has no idea how his life and that of his family and all other people in Denmark is about to change School is interrupted Danish Resistance against the German occupiers grows stronger step by step Morten eager to join the local branch of the Underground resistance movement is told that he is too young to get involved Five years later now twelve he is still told the same thing The Danish resistance is sabotaging railway transports to prevent German troops from heading south to reinforce Hitler's troops fighting the Allied on the Western front When a German search party is about to discover an explosives stash of the local resistance which includes Morten's family and friends Morten devises an ingenious plan to save the day Aided by a friend and his dog he spirits the explosives away against all odds including German road blocks saving the lives of the local resistance fighters involved in the sabotage team

Smuggler Catcher Mr. Zoran Knezev, 2013-12 This book Smuggler Catcher details my career with US Customs later after 9/11 renamed to US Customs and Border Protection Every word in the book is true and correct Together with my highly successful work I had to fight for the promotions This due to the fact that I was still a foreigner in the eyes of some of my supervisors who simply refused to accept me as one of their own The book contains a number of original photographs which show some of my successful operations I estimate that during my work for the US Government we have seized over twenty million dollars of Dirty Money I am now happily retired and enjoying the benefits given to me
