Sir William Martin The Life Of The First:

Sir William Martin; the Life of the First Chief Justice on New Zealand Cyril Guy Lennard, 1961 **Judges and Judging in the History of the Common Law and Civil Law** Paul A. Brand, Paul Brand, Joshua Getzler, 2012-01-12 Leading historical research analysing the history of judges and judging allowing comparisons between British American Commonwealth and Civil Law jurisdictions *Native Claims* Saliha Belmessous, 2012 This groundbreaking collection of essays shows that from the moment European expansion commenced through to the twentieth century indigenous peoples from America Africa Australia and New Zealand drafted legal strategies to contest dispossession The story of indigenous resistance to European colonization is well known But legal resistance has been wrongly understood to be a relatively recent phenomenon These essays demonstrate how indigenous peoples throughout the world opposed colonization not only with force but also with ideas They made claims to territory using legal arguments drawn from their own understanding of a law that applies between peoples a kind of law of nations comparable to that being developed by Europeans The contributors to this volume argue that in the face of indigenous legal arguments European justifications of colonization should be understood not as an original and originating legal discourse but at least in part as a form of counter claim *Native Claims Indigenous Law against Empire* 1500 1920 brings together the work of eminent social and legal historians literary scholars and philosophers including Rolena Adorno Lauren Benton Duncan Ivison and Kristin Mann Their combined expertise makes this volume uniquely expansive in its coverage of a crucial issue in global and colonial history The various essays treat sixteenth and seventeenth century Latin America seventeenth and eighteenth century North America including the British colonies and French Canada and nineteenth century Australasia and Africa There is no other book that examines the issue of European dispossession of native peoples in such a way *Sir William Martin; the Life of the First Chief Justice on New Zealand* Cyril Guy Lennard, 1961

security interests with residents needs and international cooperation on environmental and regional issues In recent years many policymakers scrambling to reassert U S leadership have framed their goals solely in security terms Thompson Jones argues that climate change now poses the greatest challenge calling for a new approach that is inclusive of all the Arctic s inhabitants Bringing together national security expertise and historical insight this book charts a course for American Arctic policy in a warming world Richard the Second, the Second Sonne To Edward Prince of Wales.
