Cocktail **The Baltic Story** Caroline Boggis-Rolfe, 2019-04-15 The Baltic Story recounts the shared history of the countries around the Baltic from the events of a thousand years ago to the present day Taming the Wyld Lucie Archer, 2016-09-21 The Witness Protection Program dumps JD Smith practically at the ends of the earth in Two Pines Alaska to protect him until he can testify against a dangerous gang He tries to stick to his story and keep his head down but it s impossible to ignore bush pilot Jake Wylder a sexy loner with quite a reputation around the small town Flying medical supplies around Alaska suits Jake s wild streak and love of freedom He s perfectly content to keep his romantic encounters casual at least until he meets JD Something about the nurse makes Jake think settling down might not be such a hardship Now he just needs to convince JD he s serious which won t be easy given his past For a relationship to stand a chance JD must testify so he can return to Two Pines as the man he really is and Jake must grow into the man JD needs him to be States of Love Stories of romance that span every corner of the United States Biohackers Magazine Issue 9 Biohackers Magazine , The importance of continual self improvement and development cannot be understated especially in the world of biohacking But there is also something that cannot be overstated in this same realm of personal health and growth and that is the vital role that women play Often argued and affirmed as the more intuitive of the 2 sexes women have and continue to push themselves and their community towards their health wellness and wisdom goals In a lot of ways men have it easy Our bodies instruction manual is comparable to a generic IKEA coffee table s guided instructions not a lot to decipher But some could compare women bodies manuals to NASA s rocket construction directions a lot of steps and A LOT to understand Granted the woman s body is easily the more attractive of the two in my opinion and I want it to be clear that although this statement is bias I mean this as a more aesthetic art like manner The symmetry the intricacy the mysteriousness the gracefulness just the way everything connects Perhaps its because of this clear advantage in the beauty category that it takes a lot to master all the processes within it It once was said that in the beginning God first made man but then afterwards he took a long look at him and then told himself I can do better than that and then made woman Women are at the forefront of biohacking and its clear that the industry would not be where it is today without them Due to women having to figure out all of their complexities but also having the tenacity and courage to do so they have stood side by side with men and helped to share the helpful and needed knowledge of health optimization with the world It is with great pleasure and respect that we dedicate this issue to all of the women in the world striving to promote good health strong lives and clearer minds Although we have had and will continue to have female authors and subject matter in past and future issues every article contained inside this particular issue is either written by a female author or purely feminine in subject matter This is our way to take a moment to highlight and thank all those women out there doing their thing At Biohackers Magazine we believe no we know that every woman s thought and word is just as important as every man s And we are here to provide this magazine as the ontic evidence to that Without further ado enjoy your new woman ful issue **Hitler's Wehrmacht, 1935-1945** Rolf-Dieter

Müller, 2016-09-01 Since the end of World War II Germans have struggled with the legacy of the Wehrmacht the unified armed forces mobilized by Adolf Hitler in 1935 to ensure the domination of the Third Reich in perpetuity Historians have vigorously debated whether the Wehrmacht's atrocities represented a break with the past or a continuation of Germany's military traditions Now available for the first time in English this meticulously researched yet accessible overview by eminent historian Rolf Dieter Müller provides the most comprehensive analysis of the organization to date illuminating its role in a complex horrific era Müller examines the Wehrmacht's leadership principles organization equipment and training as well as the front line experiences of soldiers airmen Waffen SS foreign legionnaires and volunteers He skillfully demonstrates how state directed propaganda and terror influenced the extent to which the militarized Volksgemeinschaft national community was transformed under the pressure of total mobilization Finally he evaluates the army's conduct of the war from blitzkrieg to the final surrender and charges of war crimes Brief acts of resistance such as an officer's rebellion of conscience in July 1944 embody the repressed principled humanity of Germany's soldiers but ultimately Müller concludes the Wehrmacht became the steel guarantor of the criminal Nazi regime
