Performing Women Gay Gibson Cima, 2018-10-18 Some feminists criticize male playwrights for misrepresenting and thereby victimizing women through patriarchal narratives other feminists applaud selected male playwrights as creators of universal women's roles In this bold and imaginative book Gay Gibson Cima delineates previously unacknowledged complexities in the relationship between male playwrights and female characters in the modern theatre That relationship has been misinterpreted she maintains because the contributions of female actors and the variations in their actual performance conditions and styles are too often ignored Taking into account hypothetical as well as historical performances of works by representative male playwrights from Ibsen to Beckett Cima sheds important new light on the acting styles invented by women to create female characters on stage Changes in performance style Cima observes may alter conventional modes of viewing and disrupt behavioral codes generated by a patriarchal cultural system *Performing Women* is essential reading for theatre critics and historians feminist theorists theatre professionals and amateurs and others interested in film and the stage

Biopolitics, Materiality and Meaning in Modern European Drama Fraunhofer Hedwig
Fraunhofer, 2020-09-21. Arguing that existing modernisation theories have been unnecessarily one-sided, Hedwig Fraunhofer offers a rewriting of modernity that cuts across binary methodologies: nature and culture, mind and matter, epistemology and ontology, critique and affirmative writing, dramatic and postdramatic theatre. She specifically reworks the biopolitical exclusions that mark modern western epistemology, leading up to modernity's totalitarian crisis point. Fraunhofer reveals the performativity of theatre in its double sense: as theatrical production and as the intra-activity of a dynamic system of multiple relations between human and more-than-human actors, energies and affects. In modern theatre, public and private, human and more-than-human, materiality and meaning collapse in a common life.

Comic Agony Albert Bermel, 1996-05. A companion volume to *Contradictory Characters*, this book analyzes the juxtaposition of the tragic and the comic in modern drama.
