,2006 Dodging the 60's Bullet: And Other Blessings from My Mennonite German Immigrant Grandparents Barbara
Wyman,2023-10-25 About the Book I chose Dodging the 60's Bullet as the title because it expresses how I feel about living
through that era without taking a direct hit I believe I was blessed by the timing of my birth as well as the influence from my
immigrant grandparents who helped to raise me I was almost an adult when this unarmed insurrection began but those who
were only in their early teens were not as lucky The 60s attack on America's culture alarmed my elderly grandfather who
came to this country before 1900 and he shared his profound and prophetic concerns with me in 1962 It seemed that almost
overnight social norms were being overturned by this generation composed of mostly college students who had been
influenced by left leaning professors who taught that our traditional values were unjust and had to be radically changed God
was soon declared dead drug use was celebrated and sex was considered just a form of Free Love with any partner The effect
of all this is magnified now because those who suffered a direct hit and the children they spawned are currently in charge of
our government education media and entertainment If you are not over 60 years old you likely have no idea of how or why we
are seeing such a downturn of civility lawlessness and immorality in our culture now My life's journey combined with a
renewed faith in Judeo Christianity prompted me to share my experiences and opinions in this book As a passionate current
events and cultural news addict I am fascinated with how these issues are addressed in this ancient book we call the Bible I
am hoping what I have written will be relatable and interesting enough to provide some food for thought and even some
encouragement for those who are facing difficult times We were all created with unique abilities for a purpose and those

abilities can be used to replace discouragement with faith and hope for the future About the Author I am a first time author but have always loved to write including letters to the editor and commenting on news sites I have worked in many different jobs in both public and private sectors including several years owning and operating a Childcare Center of fifty three children in partnership with my sister in law I have also dabbled in artwork with several paintings and other items many people liked enough to even pay me for I now live in Olympia Washington where I am blessed with three wonderful grandchildren one in California plus two great grandbabies and one more on the way I share my home with a long haired cat named Ollie who I think would be better suited to living on a farm but he seems attached to me sigh I am also a member of the Board of Directors in a small Messianic Congregation called Lion of Judah where I enjoy learning more about the faith that makes me a happy warrior in this crazy world

Sex, God, and the Conservative Church Tina Schermer Sellers, 2017-04-21 Sex God and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith mired in sexual shame and dysfunction and who desire to both heal and hold on to their faith orientation The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church and their effects on intimate partnerships and sexual lives The book provides clinicians a way to understand the faulty sexual ethic of the early church while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people The book also includes chapters on strategies for a new sexual ethic on clinical steps to heal religious sexual shame and on specific sex therapy interventions clinicians can use directly in their practice Finally it offers a four step model for healing religious sexual shame and actual touch and non touch exercises to bring healing and intimacy into a person s life
