Slouties Wars A Memoir Of My Fathers Fighting Life:

Sloutie's Wars Ira Ellenthal, 2003 SLOOTIE S WARS is an engaging portrait of an old fashioned New York City street guy a family man who waged private wars against a wide range of targets including Jew haters loudmouths and troublemakers Critical acclaim for Sloutie s Wars Sloutie s Wars is about fathers and sons it is about a New York Ira Ellenthal makes me sorry I missed It is about good guys and bad guys boxing and horse racing And a ton of heart Ellenthal s memories of Sloutie will help make memories of your own Mike Lupica columnist New York Daily News Raw vivid touching and comic this memoir of a father and his family and a lost New York is compulsively readable Harold Evans editor and author A knockout read Powerful and meaningful Endearing while brutally honest Ellenthal pulls no punches in this wholly unique memoir of a father a family and the compelling circumstances that shaped their lives Without a doubt in Sloutie s Wars the ultimate winner is the reader Howard Roughan author of The Up And Comer Even as an old man Sloutie would have made one helluva Guardian Angel Curtis Sliwa founder of the Guardian Angels and WABC New York talk show host A brave spell binding memoir Sloutie s Wars re opens a window on an era of rogues rascals and yes giants who made a city and an age their own An unforgettable swash buckling tale Brian Duffy editor U S News World Report Ira Ellenthal writes of his father with such love that you are warmed for page after page You cannot help but love Sloutie yourself as you follow him through life as it was lived by a man who was a hard nosed New York working guy the way Patton was a general You then hold the book in your hands and think how lucky Sloutie was to have a son who could write such a tribute Michael Daly columnist New York Daily News

Faith of My Fathers John McCain, Mark Salter, 2000-03-07 NEW YORK TIMES BESTSELLER Senator John McCain s deeply moving memoir is the story of three generations of warriors and the ways that sons are shaped and enriched by their fathers John McCain s grandfather a four star admiral and one of the navy s greatest commanders led the strongest aircraft carrier force of the Third Fleet during World War II McCain s father also a four star admiral served as commander of all U S forces in the Pacific during the Vietnam War It was in Vietnam that John McCain III faced the most difficult challenge of his life A naval aviator he was shot down over Hanoi in 1967 Recognized as the son of a top commander McCain was tortured and imprisoned for five and a half years Despite this he refused Vietnamese offers of an early release What McCain learned from his grandfather and father enabled him to survive those hard years A testament to the power of human endurance Faith of My Fathers is the story of three men who fought for their country with courage and emerged with their honor intact Praise for Faith of My Fathers A thoughtful first person take on survival both physical and psychological hard to top and impossible to read without being moved USA Today A candid moving and entertaining memoir impressive and inspiring the story of a man touched and molded by fire who loved and served his country in a time of great trouble suffering and challenge Kirkus Reviews A serious utterly gripping account of faith fathers and the military Publishers Weekly starred review Faith of My Fathers may also appeal to those who flocked to Saving Private Ryan and kept Brokaw s The Greatest

Generation near the top of the bestseller lists Library Journal Faith of My Fathers is the powerful story of a war hero In it we learn much of what matters most As prisoner and later Senator McCain instructs us Glory is not an end in itself but rather a reward for valor and faith And the greatest freedom and human fulfillment comes from engaging in a noble enterprise larger than oneself Faith of My Fathers teaches deep truths that are valid in any age but that warrant special attention in our own William J Bennett *My Father's War* Paul West,2005 The appearance of Paul West s memoir of his mother My Mother s Music led a legion of readers to anticipate a companion volume about his father Paul West now obliges not only with an enthralling remembrance of the blinded shell shocked survivor of three years of trench warfare during The War to End All Wars but also with an exploration of the legacy the warrior father imparts to his willing yet unsuspecting son The time recounted is 1939 to 1945 when ten year old Paul grows into prime adolescence Together father and son play war games guarding the English coast from foxholes under the kitchen table or watching on moonlit nights as real Nazi bombers pass overhead All the while Alfred Massick West instructs young Paul in his agonies and glories of twenty years before The two have much in common though distantly and Paul slowly learns to understand and even second guess his father although the compulsions that grip the war veteran largely remain a mystery separating their generations a conundrum of what the son wishes his still damaged father could be bound up with expectations no father can ever quite live up to In this memoir Paul West retraces the lineaments of his youth and leads us in twenty five chiseled chapters on an odyssey of two lives which calculates the distance between those who survive war s devastation and those who must bear its consequence Book jacket

Jack Toffey's War John J. Toffey,2022 I see this book as the story my father never got to tell John Toffey writes And what a remarkable story it is that Lt Col Jack Toffey never got to tell In this moving account of a young man s journey to know a father who went to war in 1942 and never came back John Toffey weaves memory history and his father s vivid letters home into a fascinating tale of a family a war and the threads that connect them John Toffey was nine when his father s National Guard outfit was mobilized For two years Toffey his mother and his sister moved from post to post before his dad shipped out to North Africa fighting the Vichy French in Morocco then the Germans in Tunisia where he was wounded In July 1943 he went back to war leading an infantry battalion in the invasions of Sicily and southern Italy In January 1944 he landed his battalion at Anzio and was wounded again After a long bitter stalemate Toffey s regiment led Mark Clark s push on Rome On June 3 1944 Jack Toffey was killed in the hill town of Palestrina one day before the Allies marched into Rome In a brutal campaign Jack Toffey had commanded a combat battalion longer than any other officer in the Mediterranean theater Only in 1996 when his father s letters were discovered did John Toffey begin to piece together what happened to his father And he tells this contested story of Allied success and failure with drama steely reserve and balance adding an invaluable perspective to the portrait of Jack Toffey created by Rick Atkinson in his bestselling Day of Battle This book is also a lovingly crafted portrait of home front Ohio and how a young boy his sister and his mother waited out their war scanning newspapers

and magazines for news of Dad and devouring letters full of easy humor and expressions of love for and pride in his family and dreams of a good life after the war

My Father's War Julia Collins, 2002-05-12 Julia Collins traces the effects of World War II on her emotionally scarred father In spare and touching prose Collins speaks to the experience of veterans everywhere who know the lingering devastation of war Photos

Chasing Ghosts Louise DeSalvo, 2015-10-12 When literary biographer and memoirist Louise DeSalvo embarked upon a journey to learn why her father came home from World War II a changed man she didn't realize her quest would take ten years and that it would yield more revelations about the man and herself and the effect of his military service upon their family than she'd ever imagined During his last years as he told her about his life DeSalvo began to understand that her obsession with war novels and military history wasn't merely academic but rooted in her desire to understand this complex father whom she both adored and reviled because of his mistreatment of her Although she at first believes she wants to uncover his story the story of a man who was no hero but who was nonetheless adversely affected by his military service she learns that what she really wants is to recover the man that he was before he went away As DeSalvo and her father uncover his past piece by piece bit by bit she learns about the dreams of a working class man who entered the military in the late 1930s during peacetime to better himself a man who wanted to become a pilot She learns about what it was like for him to participate in war games in the Pacific prior to the war and its devastating toll She learns about what it was like for her parents to fall in love set up house marry and have children during this cataclysmic time And as the pieces of her father's life fall into place as works to piece together the puzzle of everything she's learned about this time she finds herself finally able to understand him Chasing Ghosts is an original contribution to the understanding of working class World War II veterans who did not conventionally distinguish themselves through heroic actions and whose lives were not until recently considered worthy of historical or cultural attention It personalizes the history of those sailors who served in the Navy aboard aircraft carriers and on islands in the Pacific prior to and during World War II and contributes to the current vital conversation about the often unrecognized effects of war and its traumas upon those men and their families It reveals the lifelong devastating consequences of military service on those men and women who fell in love married and set up house And it reveals the complexity of what it is like to be the daughter of a father who has gone to war

Life Without... My Father Dave White, 2014-02-19 Life Without follows the path of Dave as he suffers at the hands of his violent parents Putting himself in harms way to protect his sister Dave searches for someone who believes him until by chance he discovers the truth That his tormentor is not his real father Losing all trust in the people around him and forced to leave his sister with Dad Dave looks for a way to escape his past But joining the Army as bullying reaches an all time high the life he has chosen will be a hard one indeed Discipline and training give him the strength to fight back his determination and courage wins respect But this life will also bring war and with it comes the pain of loss and injury Now trapped in the solitude of depression Dave faces the only thing he fears The memory of his Life Without

My Father's

Wars and His Life John D. Lambourn,2006 **Dad's War** Howard Reid,2003 On 6th April 1943 Ian Reid an officer in the Black Watch was captured by the Germans in Tunisia and sent off to an Italian prisoner of war camp Five months later as the Germans took over the camp after the Italians pulled out the war he escaped So began a life or death game of hide and seek in the heart of the beautiful Italian countryside living in barns sleeping in ditches and scavenging for food He was recaptured twice and escaped yet again *My Father's Footprints* Colin McEnroe,2014-07-02 Presents a memoir of the author s father a World War Two generation man whom the baby boom generation author begins to realize is a lot like him **Lives of My Fathers** Ray Argyle,2013 *My Father's War* Charley Valera,2016-12-15 We all know someone who was there in World War II probably a close relative such as a father brother uncle or grandparent Most of us have hardly heard their stories about their young war years We may have been afraid to ask about their stories and they may assume we don t want to know But this was such an important life changer with certain death and torture on the line every day waking up every morning for days and years without their families close by constant battles going on and amazing destruction It was for us they fought so we should know their stories In this stirring collection of first person narratives by WWII veterans Charley Valera opens readers eyes to the story of how young ordinary people from modest backgrounds became incredible soldiers fighting a nasty close battle that ranged from dropping bombs on barely visible targets to hand to hand combat even fistfights Perhaps some of the stories aren t exactly how events transpired but they do capture exactly how each person remembers them Many of these veterans are now ninety to ninety six years old Charley Valera honors them by chronicling their amazing heroic war efforts before they are gone and it s too late We should all salute these brave men and be sincerely grateful for the sacrifices they made for our country and for each one of us Page 4 of cover [A Storm of Lies](#) Randy Zinn,2021-04-20 A true story of a father s fight to keep raising his children A Storm of Lies illuminates the real world problem of one spouse lying about the other to gain advantage during a custody dispute The situation is one that many parents face but few share in such detail With insight and candor Randy Zinn invites us into his world as a parent fighting to ensure that the truth of his loving relationship with the children shines through The memoir is a deeply personal tour through the role that emotions play in our lives and a portrait of what it means to be human Click now for an inspiring look at one man s journey through pain and fear to peace and joy *Through a Long Absence* Joy Passanante,2017 [A Memoir](#) Elliot Montealegre,2021-04-19 Death doesn t always happen in combat it can also happen slowly after the soldier returns Julie Sands writes her first memoir and tells the true story of her father returning from the Vietnam War alive only to die a slow death on the streets of Los Angeles Ca In this book Julie Sands relives her life as a daughter of war and writes about the damage it caused on her father and her childhood as a result of her father s heroin addiction and alcoholism Julie shares openly the pain of a broken man breaking others Her childhood trauma resonates with those of us who grew up in a fatherless home The cycle of abuse is real Her choice to be courageous and break the cycle and forgive gives hope Being able to share this secret she held onto for so long is a

testament to her strength She reminds us we are more than overcomers and that it is ok to never ever look back *My Father's Battle* Vicki E Hartman,2015-10-24 Part biography part war story part message of hope this book is a vivid timely reminder of the cost of war shouldered by veterans and their families The true story of fifteen year old Ken Rowland who gets caught up in the adventure of WWII He comes home at age twenty one a changed man hoping to leave the nightmares behind Years later his daughter is haunted by his silent witness to war She learns the truth of what it is that stalks her father s dreams when they return together to the battlegrounds of Europe A healing journey that will stir your heart as Roly comes to terms with a past he could not leave behind *My Father's Son* Farley Mowat,2015-11-11 The follow up to *And No Birds Sang* Farley Mowat s memoir *My Father s Son* charts the course of a family relationship in the midst of extreme trial Taking place during Mowat s years in the Italian Campaign the memoir is mostly told through original letters between Mowat and his mother Helen and his father Angus a World War I veteran and librarian Written between 1943 and 1945 the correspondence depicts the coming of age of a young writer in the midst of war and presents a sensitive and thoughtful reflection of the chaos and occasional comedy of wartime First published in 1992 Douglas McIntyre is pleased to add *My Father s Son* to the Farley Mowat Library series which includes the other recently re released titles *Sea of Slaughter* *People of the Deer* *A Whale for the Killing* *And No Birds Sang* *Born Naked* and *The Snow Walker* *Thirty Days with My Father* Christal Presley,2012-11 When Christal Presley s father was eighteen he was drafted to Vietnam Like many men of that era who returned home with post traumatic stress disorder PTSD he was never the same *My Father's Shoes* Raymond F. Vennare,2013-05-28 *My Father s Shoes* is at its core an anthology of short stories The book is allegoric and the shoes are metaphoric Unlike most anthologies however these stories are an amalgam of themselves They integrate and coalesce There is a rhythm and a cadence both in substance and in form This book was initially written as a gift to my father I wanted to share certain memories with him that were meaningful and lasting I wanted him to know from my perspective just how important he was in my life He never really understood the profound impact that he had on the lives of other people especially his family Because of that humility or perhaps in honor of it I wanted to him know that he truly made a difference in this world As others read the manuscript they seemed to recognize something of themselves in these stories A memory A passage An incident A feeling As they did I became more comfortable with sharing these vignettes of family life In the end this book is really more about me than my father But even more than that it is about appreciating every circumstance in life however mundane or unremarkable it may seem at the time These seemingly discrete and unrelated moments actually define who you are what you become and what matters most in life At least they did for me My father always used to say senza memoria vita non esiste which in Italian means without memory life does not exist These are my memories and this is my inheritance Raymond F Vennare While dedicating a significant and successful portion of his life and career to business entrepreneurship and science Raymond s essential orientation is humanistic He is exquisitely aware of the inter relatedness

of all things This ability to intrinsically see and understand how disciplines overlap and coincide is Raymond s distinctive gift He is at home in the intersections of business culture art and science and uses interconnectedness as a catalyst for finding novel ways to forge bonds across disciplines and solve human problems Raymond has always been driven to express his way of seeing the commonalities of the world This is reflected in the lifelong diversity and range of his pursuits through his work as an academically trained art historian ethicist and businessman and as a multi disciplinary artist painter writer musician and commentator His current artistic offering is a richly textured memoir My Father s Shoes which he is also adapting for stage and audio performance This vibrant anthology celebrates the capacity of one person to make a lasting difference in the lives of others With humorous reflection clanking dishes wafting aromas and loving tenderness it vividly reminds us how we ultimately transfer our human energy through the stories and memories we create and leave behind There isn t one ounce of fat in Vennare s writing Every story is a journey every sentence a complete thought This book is not just a good read this is Benediction Frank Ferraro Filmmaker and Playwright I feel like I know these people and I care about them and the vivid way they lived Vennare s courage in the act of remembering his father s life and revealing his own is an invitation to all of us to find a way to pass on the stories and memories we hold most dear Karen Kern Writer My Father s Shoes is a wonderful trip down memory lane With each chapter read the pages penned touched my heart and resonated with personal stories of my own family members The book is a one shoe fits all narrative Lillie Leonardi Author In the Shadow of a Badge
