Destination Brands Nigel Morgan, Annette Pritchard, Roger Pride, 2012-05-23 This textbook shows how cities regions and countries adopt branding strategies similar to those of leading household brand names in an effort to differentiate themselves and emotionally connect with potential tourists It asks whether tourist destinations get the reputations they deserve and uses topical case studies to discuss brand concepts and challenges It tackles how place perceptions are formed how cities regions and countries can enhance their reputations as creative competitive destinations and the link between competitive identity and strategic tourism policy making

The Global Public Relations Handbook, Revised and Expanded Edition Krishnamurthy Sriramesh, Dejan Vercic, 2009-01-13 Expanding on the theoretical framework for studying and practicing public relations around the world The Global Public Relations Handbook Revised and Expanded Edition extends the discussion in the first volume on the history development and current status of the public relations industry from a global perspective This revised edition offers twenty new chapters in addition to the original contents It includes fourteen additional country or regionally focused chapters exploring public relations practice in Africa Asia Europe and the Americas Contributors use a theoretical framework to present information on the public relations industry in their countries and regions They also focus on such factors as the status of public relations

education in their respective countries and professionalism and ethics Each country specific chapter includes a case study typifying public relations practice in that country Additional new chapters discuss political economy activism international public relations and United Nations public affairs *Official Report of Debates* European Conference of Local

Authorities, Council of Europe, 1993-01-01 **Advertising in Developing and Emerging Countries** Professor Emmanuel C

Alozie, 2012-08-28 This indispensable study offers an in depth analysis of advertising in developing and emerging economies as they join the global market and seek to improve the socio economic condition of their citizens Advertising in Developing and Emerging Countries illustrates the challenges and opportunities for advertising in these countries and explores their critical relationship with developed economies with a multifaceted analysis of the role of advertising in an interdependent global economy The contributors academic and professional with world wide experiences examine the unique political cultural and religious systems that affect advertising in a country in both Western and non Western contexts and chart the consequences of its development from democratization to privatization to cultural hegemony Emmanuel C Alozie has put together an essential and unique book for scholars and students of public relations advertising marketing media and international studies as well as practitioners those teaching and undertaking professional courses and researchers in this critical field **OECD/G20 Base Erosion and Profit Shifting Project Country-by-Country Reporting - Compilation of Peer Review Reports (Phase 1) Inclusive Framework on BEPS: Action 13** OECD, 2018-05-23 Under the Action 13

Minimum Standard jurisdictions have committed to foster tax transparency by requesting the largest multinational enterprise groups MNE Groups to provide the global allocation of their income taxes and other indicators of the location of economic activity This *Small States and the European Union* Lino Briguglio, 2016-06-10 The Economies of European Union Small Member and Candidate States deals with the small states and candidate states of the EU with a focus on their economic structure and performance and the impact of EU membership past actual and potential on the economy The small states to be covered are those with a population of 3 million or less namely Cyprus Estonia Iceland Latvia Lithuania Luxembourg Malta Macedonia Montenegro and Slovenia This title adds to the literature on the EU on regional integration generally and on small states It delves into the special constraints of small economic size and examines why and how the small states of Europe manage to compete albeit not without difficulty with the larger states in the block where free trade prevails The book answers the following research questions What are the special economic development constraints faced by the small states of the EU What policy options have been used by or are available to these small states to address these constraints How can the economic resilience and competitiveness of these states be enhanced Has EU membership been mostly advantageous for these small states What are the economic prospects for these states as EU member states The book is aimed primarily for students of EU affairs and of regional integration in general It will also be useful for students of subjects relating to small states It may also appeal to policy makers of small states and to officials of international and regional organisations that have

a constituency that includes small states Slovenia's Path to Independence Pasquale De Marco, 2025-03-09 Slovenia's remarkable transformation from a part of Yugoslavia to an independent and thriving nation is a story of resilience, determination, and the triumph of the human spirit. This book provides a comprehensive examination of Slovenia's political, economic, social, and cultural landscape, offering readers a deeper understanding of this fascinating country. In the aftermath of World War II, Slovenia found itself within the borders of Yugoslavia, a federation of six republics. The decades that followed were marked by both progress and challenges, as Slovenia experienced economic growth and social development while also grappling with the complexities of a multi-ethnic state. The rise of nationalism in the late 1980s, coupled with economic disparities and political tensions, ultimately led to the dissolution of Yugoslavia. In 1991, Slovenia declared independence, embarking on a new chapter in its history. The transition from a socialist republic to a market economy was not without its hurdles. Slovenia faced economic challenges, political uncertainties, and the need to establish new institutions. Yet, with determination and resilience, the Slovenian people navigated these obstacles and laid the foundation for a prosperous and democratic nation. Today, Slovenia stands as a beacon of success in the region. It boasts a stable democracy, a thriving economy, and a high standard of living. The country is a member of the European Union and has made significant contributions to the global community. Slovenia's journey from a part of Yugoslavia to an independent and thriving nation is a testament to the indomitable spirit of its people and the power of transformation. This book delves into the intricacies of Slovenia's history, exploring the political, economic, social, and cultural factors that have shaped this fascinating nation. Readers will gain insights into Slovenia's unique identity, its rich cultural heritage, and its aspirations for the future. Through a comprehensive analysis of the country's past and present, this book provides a valuable resource for anyone interested in understanding Slovenia and its place in the world. Whether you are a seasoned traveler, a history buff, or simply someone curious about the world around you, this book promises to engage, inform, and inspire. Discover the beauty, resilience, and spirit of Slovenia, a nation that has risen from the ashes of the past to become a beacon of hope and progress. If you like this book, write a review.

Marketing and Globalization Aurélia Durand, 2018-07-17 This concise text focuses squarely on the issues facing marketers in an increasingly global world. It identifies several trends, linking them together and positioning them as marketing practices that companies implement as a way of responding to the major consequences of globalization. The book also includes case studies to illustrate new practices and allow students to discuss issues of market selection, entry modes, segmentation, targeting, and positioning, as well as product, price, distribution, promotion, and corporate communication policies in a globalized world. Durand's unique approach moves beyond marketing management and strategy issues and provides students with the broader context to understand the marketing practices they'll use in the real world. This book will prove to be an essential resource for any student of marketing and international business working to stay ahead in an increasingly competitive and global industry.
