Japanese Gardens Seiko Goto,2015-10-16 The unique beauty of the Japanese garden stems from its spirituality and rich symbolism yet most discussions on this kind of garden rarely provide more than a superficial overview This book takes a thorough look at the process of designing a Japanese garden placing it in a historical and philosophical context Goto and Naka both academic experts in Japanese garden history and design explore The themes and usage of the Japanese garden Common garden types such as tea and Zen gardens Key maintenance techniques and issues Featuring beautiful full colour images and a glossary of essential Japanese terms this book will dramatically transform your understanding of the Japanese garden as a cultural treasure **Old-House Journal** ,1995-05 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice **Library of Congress Subject Headings** Library of Congress,2013 **Healing Gardens** Clare Cooper Marcus,Marni Barnes,1999-06-15 Although the healing qualities of nature have been recognized and relied on for centuries as a valuable

part of convalescence recent history has seen nature's therapeutic role virtually eclipsed by the technological dominance of modern medicine. As the twentieth century comes to a close and the medical community reacknowledges the importance of the environment to recovery, the healing garden is emerging as a supplement to drug or technology based treatments. Healing Gardens celebrates this renewed interest in nature as a catalyst for healing and renewal by examining the different therapeutic benefits of healing gardens and offering essential design guidance from experts in the field. Unique and comprehensive, Healing Gardens provides up to date coverage of research findings, relevant design principles and approaches, and best practice examples of different types of healing gardens. It begins by exploring what current research reveals about the connection between nature, human stress reduction and medical outcomes. It then presents case studies and design guidelines for outdoor spaces in medical settings that include general psychiatric and children's hospitals, as well as hospices, nursing homes and Alzheimer's facilities. Historical information, literature reviews and studies on use are included for each type of outdoor space covered, offering important insights into what works in healing gardens and what doesn't. Generously supplemented with photographs, site plans, anecdotes and more, Healing Gardens is an invaluable practical guide for landscape architects and others involved in creating and maintaining medical facilities, and an extremely useful reference for those responsible for patient care. A unique and comprehensive look at the therapeutic effects and design of healing gardens. For more and more people, the shortest road to recovery is the one that leads through a healing garden. Combining up to date information on the therapeutic benefits of healing gardens with practical design guidance from leading experts in the field, Healing Gardens is an important resource for landscape architects and others working in this emerging area. With the help of site plans, photographs and more, it presents design guidelines and case studies for outdoor spaces in a range of medical settings including Acute care, general hospitals, Psychiatric hospitals, Children's hospitals, Nursing homes, Alzheimer's facilities, Hospices.

The Top Books of the Year Small Gardens With Style The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Small Gardens With Style : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Small Gardens With Style : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
