the question I wonder what this biblical character was thinking in the midst of these events The second section Interactions presents some of the author s experiences in interfacing with others from family and friends to people only casually known The third section Perspectives on Time consists of poems written mostly as New Year s meditations dealing with how we as Christians are affected by the passage of time while the inexorable flow of time reminds of our finiteness and mortality it also challenges us to understand how God Who is timeless is master of our limitations The final section Personal and Meditative is a miscellanea of personal and occasional ruminations some serious and others playful The book has four indexes to facilitate finding a poem by title chronological placement Scriptural reference or topic The author hopes that these poems will thus lend themselves to use for private Bible study and sermon or worship application The most fruitful reading of the poems especially of those for which a Scriptural reference is given will come from a careful look at the relevant biblical texts This book is not presented as the work of a main stream poet for Prof Higgs has pursued his poetry writing as an avocation not a profession He has opted for clarity over artistic sophistication which may not commend him to contemporary critics and practitioners of poetic composition At the same time the author aspires to go beyond the kind of religious versification whose primary purpose is to convey a moral lesson through rhyming lines That is not an ignoble objective but it does not embrace a full participation in the linguistic complexity that characterizes serious poetry Dr Higgs seeks in his poems to combine the beauty of art with the beauty of Truth and thereby to stimulate fresh attention to who God is and how He works with the people of His creation The style of Probing Eyes is mainly free verse but with regular use of internal rhyme assonance and alliteration The reader may see reflected in this style Prof Higgs s admiration for the poetry of Gerard Manly Hopkins George Herbert John Donne and in conversational tone Robert Frost But above all the author hopes that readers find evidence of the influence of the Holy Spirit ad gloriam dei XXXXXXXX *A short account of the families of Chaplin and Skinner and connected families [by N.
