Prodigals Sarah Beth Childers, 2023-09 Prodigals a memoir in essays explores the life of Sarah Beth Childers wildly creative brother who committed suicide at twenty two and her life with him and after him

through the lens of the Biblical parable of the Prodigal Son This book examines the ways Childers's brother's story was both universal and uniquely Appalachian While the archetype of the prodigal son carries all its assumed baggage the Appalachian setting of Prodigals brings its own influences Childers foregrounds the Appalachian landscape in her narrative depicting its hardwood forests winding roads mining stained creeks and rivers hill clinging goats and cows neighborhoods and trailer parks tucked between mountains The Childers family's fervent religious faith and resistance to medical intervention seems normal in this world as do their conflicting desires to both escape from Appalachia and to stay forever at home Weaving in the stories of other famous prodigals including Branwell Brontë the alcoholic brother of the Brontë sisters Jimmy Swaggart the fallen televangelist Robert Crumb her brother's beloved author of sexist and racist comic books and even herself Childers examines the role of the prodigal within the intimate tapestry of family life and beyond to its larger sociocultural meanings

Blackpilled Meadhbh Park, 2025-04-03 Incels involuntary celibates are often cast as violent misogynistic loners consumed by resentment towards women With shocking tragedies like the 2014 Isla Vista killings and the 2024 Bondi Junction stabbings heightening fears about the threat they pose understanding this phenomenon has never been more crucial But it's important not to view incels as aliens who came down to earth on women hating spaceships from a distant women hating planet Though their belief system referred to as the blackpill is no doubt extreme they haven't constructed it from nothing These young men are shaped by the media they consume and the society that surrounds us In **Blackpilled** Meadhbh Park takes an unflinching look at the incel movement through the lenses of masculinity and media studies Drawing on interviews with incels across the globe and analysing cultural touchstones such as *The Matrix* *Fight Club* *Taxi Driver* *Euphoria* *Joker* and *Blade Runner 2049* Park uncovers the origins of their beliefs and what they really think She

also examines potential ways to help incels break free from the nihilistic and hate fuelled grip of the blackpill With extremist misogyny on the rise and governments debating whether incels should be labelled a terror threat Blackpilled delivers urgent thought provoking conclusions that couldn't be more timely The Genesee Farmer and Gardener's Journal ,1836
