Comrades and Enemies Zachary Lockman, 1996-07-10 In *Comrades and Enemies* Zachary Lockman explores the mutually formative interactions between the Arab and Jewish working classes labor movements and worker oriented political parties in Palestine just before and during the period of British colonial rule Unlike most of the historical and sociological literature on Palestine in this period *Comrades and Enemies* avoids treating the Arab and Jewish communities as if they developed independently of each other Instead of focusing on politics diplomacy or military history Lockman draws on detailed archival research in both Arabic and Hebrew and on interviews with activists to delve into the country's social economic and cultural history showing how Arab and Jewish societies in Palestine helped to shape each other in significant ways *Comrades and Enemies* presents a narrative of Arab Jewish relations in Palestine that extends and complicates the conventional story of primordial identities total separation and unremitting conflict while going beyond both Zionist and Palestinian nationalist mythologies and paradigms of interpretation *Palestine and Jewish History* Jonathan Boyarin, 1996-01-01 This book enacts rather than reports on Boyarin's process or error pain impatience uncertainty discovery embarrassment self criticism intellectual struggle and dawning awareness challenging and engaging us in the process of discovery **The Routledge**

Muslims and Jews in France Maud S. Mandel, 2016-08-02 This book traces the global national and local origins of the conflict between Muslims and Jews in France challenging the belief that rising anti-Semitism in France is rooted solely in the unfolding crisis in Israel and Palestine Maud Mandel shows how the conflict in fact emerged from processes internal to French society itself even as it was shaped by affairs elsewhere particularly in North Africa during the era of decolonization Mandel examines moments in which conflicts between Muslims and Jews became a matter of concern to

French police the media and an array of self appointed spokesmen from both communities Israel s War of Independence in 1948 France s decolonization of North Africa the 1967 Arab Israeli War the 1968 student riots and Fran ois Mitterrand s experiments with multiculturalism in the 1980s She takes an in depth on the ground look at interethnic relations in Marseille which is home to the country s largest Muslim and Jewish populations outside of Paris She reveals how Muslims and Jews in France have related to each other in diverse ways throughout this history as former residents of French North Africa as immigrants competing for limited resources as employers and employees as victims of racist aggression as religious minorities in a secularizing state and as French citizens In *Muslims and Jews in France* Mandel traces the way these multiple complex interactions have been overshadowed and obscured by a reductionist narrative of Muslim Jewish polarization

The Emergence of Social Space Kristin Ross,2020-05-05 The 1870s in France Rimbaud s moment and the subject of this book is a decade virtually ignored in most standard histories in France Yet it was the moment of two significant spatial events France s expansion on a global scale and in the spring of 1871 the brief existence on the Paris Commune the construction of the revolutionary urban space Arguing that space as a social fact is always political and strategic Kristin Ross has written a book that is at once a history and geography of the Commune s anarchist culture its political language and social relations its values strategies and stances Central to her analysis of the Commune as a social space and oppositional culture is a close textual reading of Arthur Rimbaud s poetry His poems a common thread running through the book are one set of documents among many in Ross s recreation of the Communard experience Rimbaud Paul Lafargue and the social geographer lise Reclus serve as emblematic figures moving within and on the periphery of the Commune in their resistance to the logic and economy of the capitalist conception of work in their challenge to work itself as a term of identity all three posed a threat to the existing order Ross looks at these and other emancipatory notions as aspects of Communard life each with an analogous strategy in Rimbaud s poetry Applying contemporary theory to a wealth of little known archival material she has written a fresh persuasive and original book

Booking Passage Sidra DeKoven Ezrahi,2023-12-22 Sidra DeKoven Ezrahi s sweeping study of modern Jewish writing is in many ways a long meditation on the thematics of geography in Jewish culture what she calls the poetics of exile and return Until the late nineteenth century Jews were identified in their own religious and poetic imagination as wanderers and exiles their sacred center Jerusalem Zion fatefully out of reach Opening the book with Jewish Journeys Ezrahi begins by examining the work of medieval Hebrew poet Yehuda Halevi to chart a journey whose end was envisioned as the sublime realignment of the people with their original center When the Holy Land became the site of a political drama of return in the nineteenth century Jewish writing reflected the shift traced here in the travel fictions of S Y Abramovitsh S Y Agnon and Sholem Aleichem In *Jewish Geographies* Ezrahi explores aspects of reterritorialization through memory in the post Holocaust writing of Paul Celan Dan Pagis Aharon Appelfeld I B Singer and Philip Roth Europe where Jews had dreamed of return has become the new ruined shrine The literary pilgrimages of these writers recall familiar
