Terrorism 1996 2001 A Chronology:

Chronologies of Modern Terrorism Barry Rubin, Judith Colp Rubin, 2015-01-28 Concise yet comprehensive this one volume reference examines the history of terrorism in the modern world including its origins and development and terrorist acts by groups and individuals from the French Revolution to today Organized thematically and regionally it outlines major developments in conflicts that involved terrorism the history of terrorist groups key aspects of counterterrorist policy and specific terrorist incidents Initial chapters explore terrorism as a social force and analyze the use of terrorism as a political tool both historically and in the contemporary world Subsequent chapters focus on different parts of the world and consider terrorism as a part of larger disputes Each chapter begins with a historical introduction and analysis of the topic or region followed by one or more chronologies that trace events within political and social contexts A glossary selected bibliography and detailed index are also included

Historical Dictionary of Terrorism Sean K. Anderson, Stephen Sloan, 2009-08-03 The United States Department of Defense defines terrorism as the calculated use of unlawful violence or threat of unlawful violence to inculcate fear intended to coerce or to intimidate governments or societies in the pursuit of goals that are generally political religious or ideological While terrorism has been around for centuries it was the al Qaeda attacks of September 11 2001 that brought home to the world and most particularly the United States just how dangerous terrorism can be The third edition of the Historical Dictionary of Terrorism presents the full spectrum of forms of political violence through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on major terrorist groups and their leaders significant terrorist events cyber terrorism counterterrorism and social science concepts regarding the motivations and group dynamics of terrorist groups Authors Sean K Anderson and Stephen Sloan move beyond the gut reaction we have to this volatile and divisive topic by providing a reliable and objective reference on terrorism

Terrorism, 1996-2001 Edward F. Mickolus, Susan L. Simmons, 2002 Samlet v rk om terrorisme og dens ud vere og bekmpende institutioner siden 1996 og med referencer til terroisme registreret siden 1969 Omfattende navneregister pterorister og terrororganisationer

The 50 Worst Terrorist Attacks Edward F. Mickolus, Susan L. Simmons, 2014-08-11 In the last 50 years terrorists have committed hundreds of horrific acts of violence to further their causes This accessible single volume text covers the most significant terrorist acts across contemporary history worldwide Since the attacks on September 11 2001 terrorism has remained the chief threat to international stability and security The 50 Worst Terrorist Attacks draws on all forms of terrorism international transnational and domestic anywhere in the world covering all types of acts e g bombings assassinations armed attacks skyjackings by any organization and ideology The work goes beyond documenting the key events that occurred in or involved the United States it also covers important terrorist attacks by left and right wing organizations religiously motivated groups and separatists that are largely unknown among Western audiences Each entry supplies the details of the attack the perpetrators victims and eventual resolution as well as the

political social and international contexts in which the event occurred Readers will grasp the evolution of terrorist activities and methodologies in the 20th and 21st centuries understand the importance of each event in the development of the terrorist repertoire and gauge the responses intended to counter these new kinds of attacks , **Encyclopedia of World Terrorism: 1996-2002** Frank Shanty,Raymond Picquet,John Lalla,2003 **Historical Dictionary of Islamic Fundamentalism** Mathieu Guidère,2017-09-20 After the rise of the Islamic State in the Middle East and the new geopolitical landscape in this region it is essential for the modern reader to understand the history that has allowed for and influenced these types of Islamic groups to form Historical Dictionary of Islamic Fundamentalism acts as a didactic resource that explains from the Islamic perspective the historical importance of the Islamic fundamentalist world This dictionary provides a comprehensive and thorough analysis of various groups events movements key figures and dogmas that have influenced contemporary Islamic fundamentalism A chronology spanning 600 years graphs of complex Islamic group associations and alliances and an Arabic to English glossary have all been included to facilitate a complete understanding of the nuances and generalities that have shaped this movement This second edition of Historical Dictionary of Islamic Fundamentalism also contains an introduction appendixes an extensive bibliography and more than 700 cross referenced entries on ideologies people events and movements of the 20th and 21st centuries *The Routledge Handbook of Terrorism Research* Alex Peter Schmid,2011 This volume is a monumental collection of definitions conceptual frameworks paradigmatic formulations and bibliographic sources which is now being revised and updated as a resource for the expanding community of researchers on the subject of terrorism *American Military History* Daniel K. Blewett,2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums *Understanding Terrorist Innovation* Adam Dolnik,2007-04-11 This book explores the innovations and advances in terrorist tactics and technologies to help fill the gap in the contemporary terrorism literature by developing an empirical theory of terrorist innovation The key question concerns the global historical trends in terrorist innovation as well as the critical factors responsible for the differences in practices among terrorist organizations The first part of the book provides an overview of the tactics and technology used by terrorists in the last century and identifies the key trends for the future The second part compares four differing terrorist organizations with the aim of identifying key factors in producing innovative tactics and weaponry The

volume provides a historical explanation of the trends in terrorist innovation and also has policy relevance as the ability to identify signature characteristics of innovation prone terrorist organizations is a critical element in predictive threat assessment Understanding Terrorist Innovation will be of great interest to students of terrorism studies security studies and political science in general
