Testimony Of Triumph The Meaning Of Christs Words From The Cross:

Testimony of Triumph John M. Drescher, 2002-07-08 Down through the years many books have been written to help us plumb the depth of sin to help us understand the significance of Calvary Today there is a dearth of writings about the cross and particularly about the seven times that Jesus spoke from the cross These utterances of Christ are known as the seven last words of Jesus or the seven words of the cross Yet in a most striking way the words of Jesus from the cross tell us the essential meaning of Christ s coming and death This book on Christ s words from the cross is shared with the deep desire that readers may see not only the centrality of the cross for salvation but also the centrality of the cross in enabling us to live the Christ life These messages were written to help the reader identify with the cross for salvation But they do not stop there They also insist on an identification with the cross to the point that we die to the old life and walk in a newness of life
