Dear Music Educator,

Along with my fellow authors, I am proud to introduce you to *Essential Elements 2000*.

This exciting band method is based on a sequential-learning curriculum certain to bring success to you and your students. *Essential Elements 2000* features the time-tested cornerstones of its predecessor, the popular *Essential Elements for Band*, plus an abundance of new material, all designed to develop a foundation for the positive growth of your band program.

Each student book includes a play-along CD giving your students the experience of playing with professional musicians from day one of their musical career. Music theory, history, conducting, and improvisation are also integrated throughout the book in support of the National Standards for Arts Education.

Ongoing research continues to show the importance of music as it relates to learning. Scientific data now confirms what music educators have intuitively known for years: students who study music attain a higher level of achievement in every facet of life.

Therefore, YOU play a vital role in the development of every child who chooses to be a member of the band; YOU MAKE A DIFFERENCE!

Thank you for selecting *Essential Elements 2000*. Best wishes for a joyful and memorable year of music-making.

Sincerely,

Tim Lautzenheiser
