Texas Story:

Texas Rising Stephen L. Moore, 2015-05-12 The official nonfiction companion to HISTORY's dramatic series Texas Rising created by the same team that made the ratings record breaker Hatfields McCoys a thrilling new narrative history of the Texas Revolution and the rise of the legendary Texas Rangers who patrolled the violent western frontier March 1836 The Republic of Texas just weeks old is already near collapse William Barret Travis and his brave defenders of the Alamo in San Antonio have been slaughtered Hundreds more Texan soldiers have surrendered at Goliad only to be marched outside the fortress and executed by order of the ruthless Mexican general Santa Anna a dictator denying Texans their freedom and liberty General Sam Houston a hard drinking hot tempered opportunist remains in command of a small band of volunteer colonists mercenaries and the newly organized Texas Rangers They are the last hope for Texas to challenge the relentless advance of Santa Anna's much larger Mexican Army yet many of them curse Houston enraged by his decision to retreat across Texas before the advancing enemy The exhausted outnumbered rebels will meet their destiny on an empty plain near the Gulf Coast next to the San Jacinto River and make a stand that determines the fate of the young nation Remember the Alamo and Remember Goliad will be the battle cries and the order of the day will echo Travis's at the Alamo Victory or death Acclaimed Texas historian Stephen L. Moore's new narrative history tells the full thrilling story of the Texas Revolution from its humble beginnings to its dramatic conclusion and reveals the contributions of the fabled Texas Rangers both during the revolution and in the frontier Indian wars that followed

On the Edge of a Dream: A South Texas Story Mary Mijares, 2005-04-29 font face Verdana font size 2 On the Edge of a Dream is a story about my grandparents journey by train from Sabinas Hidalgo Nuevo Leon Mexico to Nuevo Laredo Tamaulipas Mexico Laredo Texas and on to South Texas to claim a home in America They courageously faced the unknown seeking to make a better life for their families here in the United States believing they had greater opportunities to realize their dreams Dad

was seven years old at that time As he grew older he faced greater challenges in achieving these opportunities It was my dad s dream of writing a book about his family s struggles to make their American dream a reality that inspired me to write this book After arriving in South Texas my grandparents first had to find work in order to make a living for their families They weren t afraid of work They were unskilled workers so they found work in farms or ranches working with cattle horses or plowing in the fields When cotton harvesting season came they weren t afraid of picking cotton though it was hard backbreaking work to say nothing of carrying large cotton sacks on their shoulders My paternal grandfather died on January 1 1921 when my dad the oldest child was almost thirteen years old leaving Grandma a widow with five children Grandma faced this challenge by working as a housekeeper for the farm owners Dad found what hard work was at the early age of thirteen years When he was not working in the fields in the hot and humid Texas climate he worked in the dairy farms When I was two years old my maternal grandparents returned to Mexico when they found that Mexico had land grants for those wishing to return home Quite possibly they decided they wanted to own their piece of land to farm it in order to make more money My mom s two oldest brothers stayed in America and raised their families in South Texas Hard work was not the only thing my parents faced They also had to learn a new language if they wanted to understand their employers Learning the English language was hard Surrounded by Spanish speaking family member it was easier to speak Spanish to them instead of speaking English Eventually Dad learned enough English to make himself understood Another challenge my grandparents faced was a lack of education which would have made life easier and maybe more profitable They only had the minimal education they could get in Mexico but they taught their children to read and write in Spanish Though my parents were very young when they journeyed to America they lived in farms far from schools Since they had no transportation to get to school they could not attend even if they wanted to do so They saw the importance of an education early in their lives because they were unable to get that education themselves In 1930 my parents met and married Two years later I was born in Gregory Texas while my brother was born two years after me and my younger sister seven years after my brother My parents never lost sight of what an education could do By the time we were old enough to begin school they did everything possible to get us there Also by then transportation was available Busses took us to and from school Mom and Dad made sure we had what we needed to be successful students Getting our college degrees after we graduated was an almost impossible dream Dad did not make much so when I graduated I could only afford to go to business school It was much later when I earned my Bachelor of Arts and Master s of Arts degrees My younger sister and my brother both received Bachelor of Science degrees My dad s dream of writing to tell of his family s journey to America inspired me to write this book It took boldness to travel to a new country strength to make a living by performing backbreaking work and perseverance from us his chil *Texas History Stories* Elbridge Gerry Littlejohn,1901 Relates the stories of thirteen heroes or events in nineteenth century Texas history including Cabeza de Vaca Sam Houston and the Alamo **Stories from the History of Texas** Willard Frances
