Texas Gunsmoke Frank Cannon, 1988-10-01 With the title to his newly bought spread at stake Nick Blasingame fights a war for justice in Moreno Texas against a host of double dealing land swindlers and the corrupt Sheriff Tolliver who is up for re election

Gunsmoke Sarah Grace Bakarich, 2018-12-01 The history of Tombstone Arizona and the surrounding area as recalled by Sarah Grace Bakarich This small volume tells the story of the sensational aspects of the town of Tombstone in the 1880 s It focuses on Wyatt Earp and his brothers the Clantons and other gunmen and characters of the town This book has become a minor classic for collectors of stories of the Old West

East Texas Troubles Jody Edward Ginn, 2019-07-18 When the gun smoke cleared four men were found dead at the hardware store in a rural East Texas town But this December 1934 shootout was no anomaly San Augustine County had seen at least three others in the previous three years and these murders in broad daylight were only the latest development in the decade long rule of the criminal McClanahan Burleson gang Armed with handguns Jim Crow regulations and corrupt special Ranger commissions from infamous governors Ma and Pa Ferguson the gang racketeered and bootlegged its way into power in San Augustine County where it took up robbing and extorting local black sharecroppers as its main activity After the hardware store shootings white community leaders formerly silenced by fear of the gang s retribution finally sought state intervention In 1935 fresh faced newly elected governor James V Allred made good on his promise to reform state law enforcement agencies by sending a team of qualified Texas Rangers to San Augustine County to investigate reports of organized crime In East Texas Troubles historian Jody Edward Ginn tells of their year and a half long cleanup of the county the inaugural effort in Governor Allred s transformation of the Texas Rangers into a professional law enforcement agency Besides foreshadowing the wholesale reform of state law enforcement the Allred Rangers investigative work in San Augustine marked a rare close collaboration between white law enforcement officers and black residents Drawing on firsthand accounts and the sworn testimony of black and white residents in the resulting trials Ginn examines the consequences of such cooperation in a region historically entrenched in racial segregation In this story of a rural Texas community s resurrection Ginn reveals a multifaceted history of the reform of the Texas Rangers and of an unexpected alliance between the legendary frontier lawmen and black residents of the Jim Crow South

Prescription for Danger Ardath Mayhar, 2017-04-20 TEXAS GUNSMOKE When Dr Nicholas Blasingame joins his cousin Alicia and her husband in East Texas he is scarred from political battles in Baltimore where he lost his efforts at reform In this new place he hopes to practice medicine and rebuild his life without conflict Unfortunately he finds political corruption as deeply entrenched in Moreno Texas as it was in Baltimore this time in the hands of the elected officials including the sheriff Joining Alicia and Bart in their efforts to prevent abuse and outright theft he finds himself threatened along with his kin The only way

he can handle this is by forgetting his life long reluctance to take up arms and to accept the help of some unlikely allies I m continually amazed at Mayhar s ability to draw the reader seamlessly into her historical narratives You can smell the gunpowder in this one Robert Reginald **The Remington Registry of Outstanding Professionals** Remington Registry,2011-04-26 **A Hanging in Nacogdoches** Gary B. Borders,2010-01-01 This historical study examines a legal lynching in 1902 Texas shedding light on race relations political culture and economic conditions of the time On October 17 1902 in Nacogdoches Texas a black man named James Buchanan was tried without representation condemned and executed for the murder of a white family all within three hours Two white men played pivotal roles in these events the editor of the Nacogdoches Sentinel Bill Haltom a prominent Democrat who condemned lynching but defended lynch mobs and A J Spradley a Populist sheriff who managed to keep the mob from burning Buchanan alive only to escort him to the gallows Each man s story illuminates part of the path toward the terrible parody of justice at the heart of A Hanging in Nacogdoches The turn of the twentieth century was a time of dramatic change for the people of East Texas Frightened by the Populist Party s attempts to unite poor blacks and whites in a struggle for economic justice white Democrats defended their power base by exploiting racial tensions in a battle that ultimately resulted in complete disenfranchisement for the black population In telling the story of a single lynching Gary Borders dramatically illustrates the way politics and race combined to bring horrific violence to small southern towns like Nacogdoches **The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States** American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr **Gun-Smoke** Dane Coolidge,1928 **A Dictionary of Literary Pseudonyms in the English Language** T.J. Carty,2015-12-03 In its first edition Dictionary of Literary Pseudonyms established itself as a comprehensive dictionary of pseudonyms used by literary writers in English from the 16th century to the present day This new Second Edition increases coverage by 35% There are two sequences Part I which now includes more than 17 000 entries is an alphabetical list of pseudonyms followed by the writer s real name Part II is an alphabetical list of writers cited in Part I more than 10 000 writers included providing brief biographical details followed by pseudonyms used by the wrter and titles published under those pseudonyms Dictionary or Literary Pseudonyms has now become a standard reference work on the subject for teachers student and public high school and college universal librarians The Second Edition will we believe consolidate that reputation
