The Iciest Sin:

The Iciest Sin H. R. F. KEATING,1992 **The Iciest Sin** H. R. F. Keating,1991-10-03 *The Iciest Sin* H. R. F. Keating,1993-02-01 *Places for Dead Bodies* Gary J. Hausladen,2010-01-01 From Tony Hillerman s Navajo Southwest to Martin Cruz Smith s Moscow an exotic vividly described locale is one of the great pleasures of many murder mysteries Indeed the sense of place no less than the compelling character of the detective is often what keeps authors writing and readers reading a particular series of mystery novels This book investigates how police procedural murder mysteries have been used to convey a sense of place Gary Hausladen delves into the work of more than thirty authors including Tony Hillerman Martin Cruz Smith James Lee Burke David Lindsey P D James and many others Arranging the authors by their region of choice he discusses police procedurals set in America the United Kingdom and Ireland Europe Moscow Asia and selected locales in other parts of the world as well as in historical places ranging from the Roman Empire to turn of the century Cairo *Christ Became Sin* Daniel F. Owsley,2012-03-13 *Christ Became Sin* is fated to become a classic since it offers the kind of inspiration that can t be found in *Inspiration For Dummies* Tis a smart book for smart people who want to understand why the Bible said that Christ became sin So it is up to intellectual Christians to dare to read how the forces of darkness were defeated the very moment Jesus Christ Almighty felt the shame of sin upon Him even though He knew that not Our most worthy Rock of the Ages also walked the greatest walk while talking the purist talk that ever could have been talked by anyone Nor can it ever be denied that our exalted Architect of the Foundation of the Age of Grace even divided mankind s calendar asunder For it was always His job alone to split time in two as easily as He faithfully spread the good news of God s kingdom Even those that don t believe in our Lord of Life know that He made a bigger impact on our world than the largest meteor that ever hit it Neither can any atheist ever dare to declare that our Living Star of Bethlehem hasn t had his name shining upon countless neon signs with the word *saves* underneath it Furthermore the name of Jesus and his legacy has survived throughout the darkest ages while setting free some of the darkest souls twas also a most remarkable story with no past tense For it still speaks very loudly of future days of bliss that shall surely pound our earth s ground with a fury of some very peaceful tranquility And it was our Lord of Always passion alone that evermore set the tempo for all of creation to sing with gladness for His long awaited return Therefore this is both the beginning and end of His story and a look back at a blood soaked history that reveals it s most incredible climax Nor does it matter what anyone thinks about Jesus For it shall come to pass that every soul looking towards His glory can never again stand in His shadow For His overflowing brightness shall never again allow any darkness *Mystery Voices* Dale Salwak,1991-01-01 A series of interviews with authors such as P D James and Julian Symons H.R.F. Keating, Post-colonial Detection Meera Tamaya,1993 Like Hillerman and McClure Keating is not only an outsider but as an Englishman writing about a former colony he is in grave danger of what Edward Said says western writers often do construct the Orient as the mysterious Other However Keating s portrayal of

India complex subtle and deeply humanistic in the E M Forster tradition has been praised by Indians as Hillerman has been honored by Navajos for the fairness of his portrayals A Dictionary of Writers and their Works Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer s nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication *The Meaning of Treason* Rebecca West, 2011-03-01 West s acclaimed examination of traitors this gripping profile takes readers inside World War II spy rings and gets to the heart of what it means to betray one s country Throughout her career Rebecca West dug into psyches real and fictional to try to understand the meaning of betrayal In the aftermath of World War II West was incensed when several wartime turncoats were tried with seeming indifference and worse sympathy from the British public In exploring these traitors origins crimes and motivations West exposes how class division greed and discrimination can taint loyalties and redraw the relationships between individuals and their fatherland A fascinating book *The Meaning of Treason* combines the intrigue of a spy novel with West s classic careful dissection of man s moral struggles *A Detective at Death's Door* H. R. F. Keating, 2005-05 That is they had nothing in common that Harriet s fellow police officers could see Once she is able to go about in person she comes up with some helpful ideas All the while in the back of her mind she knows that the killer ego bruised must be aching to finish what he or she started BOOK JACKET
