The Idea Of Christ In The Gospels:

The Idea of Christ in the Gospels George Santayana, 1946 Interprets the idea of Christ as it appears in the Gospels A
Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

Jesus and His Church R. Newton Flew, 2009-05-28 Contents I The Teaching of Jesus II The Primitive Church III The Unity of the Apostolic Teaching IV Conclusion The essence of the book is a five fold argument First in Part One evidence is collected from the first three Gospels under these five heads to prove that the teaching and activity of Jesus were directed to the gathering of a community the true Israel the newly constituted People of God Second the five marks of the new community already discovered in the mind of our Lord are seen to characterize the life of the Primitive Church third the same five marks reappear in all the main types of teaching in the New Testament from the Preface to the 2nd edition

Jesus in the Gospels Rudolf Schnackenburg, 1995 A Biblical Christology What Jesus Christ Thought of Himself Anson Phelps Stokes, 1916 Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels **Jesus' Death in New Testament Thought: Two-Volume Complete Edition** David A.

Brondos, 2018-07-16 Jesus Death in New Testament Thought is unlike anything written on the subject to date It represents a radical break with the traditional models or theories of atonement based on ideas such as penal substitution participation in

Christ and the Christus Victor motif claiming that all of these ideas as commonly understood are foreign to New Testament thought. On the basis of his analysis of second temple Jewish thought Brondos demonstrates that for Jews in antiquity what atoned for sins and led people to be declared righteous in God's sight was not sacrifice suffering or death in themselves but the renewed commitment to living in accordance with God's will which they manifested by means of their sacrificial offerings and at times their willingness to endure suffering and death out of faithfulness to that will. According to the thought of Jesus first followers in accordance with a divine plan conceived of before the ages in Jesus God had sent his Son in order to establish around him a community of people fully committed to practicing the love justice solidarity and righteousness associated with God's will for all. Jesus' dedication to this task led to confrontation and conflict with the powers and authorities of his day who sought to silence him by having him put to death. Because he stood firm and remained faithful to that task rather than backing down from it he was crucified on a Roman cross. Paradoxically however in this way he laid the basis for the existence of the community God had desired from the start stamping it forever as one to which no one could truly belong without assuming the same firm commitment to Jesus and everything for which he had lived and died. Those who form part of this community living out of faith under Jesus as their risen Lord come to practice God's will as redefined through Jesus and on that basis are forgiven and accepted as righteous by God. Thus by giving up his life out of love for others in faithfulness to the task his Father had given him Jesus has attained the redemption reconciliation cleansing and justification of those who now live under his lordship as members of the worldwide community of believers from all nations that God has established through him and his death in fulfillment of the promises that God had made of old to his people Israel. In Volume 1 Brondos looks to the relevant texts from antiquity to trace the background and development of these ideas. His argument will leave the reader with no doubt that Jesus first followers understood the salvific significance of his death or blood in the manner just outlined and therefore that the traditional interpretations of his death that have prevailed from patristic times to the present do not reflect faithfully their thought as we find it in the New Testament. In Volume 2 Brondos examines the formulaic allusions to Jesus' death that we find scattered throughout the New Testament and other early Christian writings so as to demonstrate that these are precisely the ideas that lie behind those allusions. At the same time through his analysis of the writings of Melito of Sardis and Irenaeus of Lyons he provides clear evidence that by the late second century ideas that are foreign to those texts began to be read back into them with the result that the original understandings of Jesus' death that had developed among his first followers came to be replaced by other understandings that run contrary to their thought. In his Conclusion Brondos argues that only by rejecting the traditional models of atonement and returning to the New Testament teaching on this central doctrine can the Christian church respond effectively to the crisis it faces today and bring about the restoration of the type of communities envisioned by Jesus and his first followers. George Santayana's Philosophy of Religion Edward W. Lovely, 2012-09-28 George Santayana 1862-1952 of Spanish descent and

generally claimed to be in the canon of American philosophers was substantially influenced by his Roman Catholic origins in his philosophical disposition toward the value of tradition religious symbols and dogma His philosophical project sustained a respectful attitude toward the spiritual value of orthodox religion while the thrust of his philosophy was naturalistic and materialistic throughout There is a perception by some scholars that Santayana s philosophy evolved from a humanistic perspective to a more spiritual one in his later years It is the position of this thesis that his philosophy at the core depicting a harmonious striving toward individual happiness remained essentially consistent from his earliest publication of *Interpretations of Poetry and Religion* and *The Life of Reason* through his later works of *Scepticism* and *Animal Faith* *Realms of Being* *Dominations and Powers* and *The Idea of Christ in the Gospels* Santayana s philosophical approach is both phenomenological and social constructionist in its methodology significantly preempting the methodology of social constructionist theology and a post modern interpretation of religion His idiosyncratic phenomenological approach is compared with a benchmark methodology of Edmund Husserl the generally accepted founder of the phenomenological method There are also important similarities between Santayana s phenomenological approach and those of Charles Sanders Peirce and Alfred North Whitehead The basis for the comparison of the phenomenological methodology of Santayana and Husserl is their mutually similar fundamental theory of intuited essence Santayana s contribution to religious studies is not only philosophical but also theological where he has utilized Christian theological language in transposing and interpolating his philosophy of religion to the Christian drama of the salvational Christ Santayana s essay *Ultimate Religion* reflects his perspective of a disillusioned but still spiritual vision incorporating the piety discipline and spirituality of a life of reason Within the framework of this model Santayana s philosophy of religion is developed and explored Finally the relevance of Santayana s philosophy of religion to contemporary religious studies and selected religious issues is addressed with a delineation and discussion of some important aspects of his philosophical vision

The Gospel of Jesus William Reuben Farmer, 1994-01-01 William Farmer has devoted much of his career to addressing the question of the relationship among the three Synoptic Gospels Matthew Mark and Luke In particular Farmer has challenged the Two Source Hypothesis which says that Mark is the earliest Gospel and that Matthew and Luke used Mark and another document called Q as the two primary sources for their own Gospels Instead Farmer argues that Matthew was the Earliest Gospel that Luke used Matthew and other traditions known to him and that Mark used both Matthew and Luke in compiling a shorter more ecumenical account of Jesus career This competing theory is called the Two Gospel Hypothesis

Union with the Resurrected Christ G. K. Beale, 2023-04-25 Southwestern Journal of Theology 2023 Book Award Biblical Studies Union with Christ is an important theological and practical concept that has received considerable attention in recent years But not much consideration has been given to this union and its benefits in light of Jesus s resurrection and ascension In this follow up to his monumental *A New Testament Biblical Theology* G K Beale summarizes and expands on that work with an eye to fleshing out the theological

implications of the resurrection and ascension Beale explains that Christ's resurrection and ascension place him as the beginning of the eschatological fulfillment of the new creational kingdom Specifically Christ is the fulfillment of a cluster of nineteen Old Testament end time expectations These eschatological realities attributed to Christ are imprinted on believers through their dynamic union and identification with him Through careful exegesis Beale explores these facets and deliberately draws out important practical applications for everyday Christian living in the overlap of the old creation and the new Students of the New Testament will benefit from this important contribution to New Testament theology

While this might not be the The Idea Of Christ In The Gospels full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Idea Of Christ In The Gospels eBooks, including some popular titles.

FAQs About The Idea Of Christ In The Gospels Books

What is a The Idea Of Christ In The Gospels PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system

used to view or print it. **How do I create a The Idea Of Christ In The Gospels PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Idea Of Christ In The Gospels PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Idea Of Christ In The Gospels PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Idea Of Christ In The Gospels PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
