The Identities Of Persons:

The Identities of Persons Amélie Rorty, 1976-11-15 In this volume thirteen philosophers contribute new essays analyzing the criteria for personal identity and their import on ethics and the theory of action it presents contemporary treatments of the issues discussed in *Personal Identity* edited by John Perry University of California Press 1975 *Identities of Persons* Amélie Oksenberg Rorty, 1976 In this volume thirteen philosophers contribute new essays analyzing the criteria for personal identity and their import on ethics and the theory of action it presents contemporary treatments of the issues discussed in *Personal Identity* edited by John Perry University of California Press 1975 *The Identities of Persons* Amélie Oksenberg Rorty, 1976 **Persons, Identity, and Political Theory** Catherine Galko Campbell, 2013-11-19 This book examines the conception of the person at work in John Rawls's writings from *Theory of Justice* to *Justice as Fairness: A Restatement* The book aims to show that objections to Rawls's political conception of the person fail and that a Rawlsian conception of political identity is defensible The book shows that the debate between liberals and communitarians is relevant to the current debate regarding perfectionism and neutrality in politics and clarifies the debate between Rawls and communitarians in a way that will promote fruitful discussion on the issue of political identity It does this by providing a clearer account of a conception of personal identity according to which persons are socially constituted including the intuitions and assumptions underlying the communitarians conception of persons as socially constituted It examines the communitarian objections to liberal political theory and to the liberal conception of persons the unencumbered self The book differentiates between two types of objection to the liberal conception of persons the metaphysical and normative It explains Rawls's political conception of persons and the metaphysical and normative commitments Rawls incurs and does not incur in virtue of that conception It shows that both kind of objection to Rawls's political conception of the person fail Finally modifying Rawls's political conception of the person a Rawlsian conception of political identity is explained and defended **The Identities of Persons** George Graham, 1975

Reinterpreting Property Margaret Jane Radin, 2009-04-03 This collection of essays by one of the country's leading property theorists revitalizes the liberal personality theory of property Departing from traditional libertarian and economic theories of property Margaret Jane Radin argues that the law should take into account nonmonetary personal value attached to property and that some things such as bodily integrity are so personal they should not be considered property at all Gathered here are pieces ranging from Radin's classic early essay on property and personhood to her recent works on governmental taking of private property Margaret Jane Radin is professor of law at Stanford University She is the author of over twenty five articles on legal and political theory **Encyclopedia of Philosophy and the Social Sciences** Byron Kaldis, 2013-03-07 This encyclopedia magnificently edited by Byron Kaldis will become a valuable source both of reference and inspiration for all those who are interested in the interrelation between philosophy and the many facets of the social sciences A must read for every student of the humanities Wulf Gaertner University of Osnabrueck Germany Byron Kaldis
