The Illustrated Encyclopedia of Military Vehicles Ian Vernon Hogg, The Illustrated Encyclopedia Of Military Vehicles Ian V. Hogg, John Weeks, 1980 **The Illustrated Encyclopedia of Military Vehicles** Ian V. Hogg, Francesca George, John Weeks, 1980 **The Illustrated Encyclopedia of the World's Tanks and Fighting Vehicles** Christopher F. Foss, 1982 American Military Vehicles of World War I Albert Mroz, 2009-10-21 In World War I the American motor vehicle industry was tested by the sudden appearance of vast transport challenges The nation's immense manufacturing capabilities and abundant natural resources combined with increased standardization and mass production to enable the industry to meet the military's needs Motor vehicles and aircraft were quickly cemented as the most influential military tools of the early twentieth century This book both describes the development and use of a wide range of specialized motor vehicles during World War I and analyzes how their advent indelibly altered modern warfare and transportation **The World Encyclopedia of Military Vehicles** Pat Ware, 2010 This reference book provides an authoritative and well illustrated 100 year overview of the fascinating history of the cargo troop carrying trucks wreckers tankers ambulances communications vehicles and other specialized types that provide technical support to the front line troops World War II in Europe David T. Zabecki, 2015-05-01 World War II defined the 20th century and shaped many events from the decolonization of Africa to the rise and fall of the Berlin Wall This encyclopedia offers a focused overview of this complex and volatile era the circumstances that led up to war the underlying causes its unfolding and consequences Organized for quick and precise access More than 1300 entries by 150 experts are arranged in six sections for easy reference and consultation All the key ideas events actions weapons individuals and organizations that played vital roles in the war are covered from the Axis Pact to the Arab League from the OSS to the Africa Korps from the Chetniks to the Jedburghs from the battle of Kursk to Operation Mincemeat from Bill Donovan to Otto Skorzeny from Gestapo to SMERSH from Georgi Zhukov to Jean Leclerc from the 88 gun to the Norden Bombsight Covers important neglected subjects The Encyclopedia puts special emphasis on the often neglected operations in Eastern Europe and Russia A key section inspects and rates all the major weapons with handy tables for easy comparison And in recognition of the first large scale participation of women in the war the volume thoroughly documents their individual and unit contributions to the Allied effort Finally the encyclopedia discusses battlefield realities that explain for example why the airborne drops at Normandy succeeded and the ones at Arnheim failed A bibliography glossary maps photographs and weapons and data tables enhance the coverage Also includes 16 maps *Weapons and Warfare* Spencer C. Tucker, 2020-03-26 This work covers major weapons throughout human history beginning with clubs and maces through crossbows swords and gunpowder up to the hypersonic railgun lasers and robotic weapons under development today Weapons and Warfare is designed to provide students with a comprehensive and highly informative overview of weapons and their impact on the course of human history In addition to providing basic factual

information this encyclopedia will delve into the greater historical context and significance of each weapon The chronological organization by time period will enable readers to fully understand the evolution of weapons throughout history The work begins with a foreword by a top scholar and a detailed introductory essay by the editor that provides an illuminating historical overview of weapons It then offers entries on more than 650 individual weapons systems Each entry has sources for further reading The weapons are presented alphabetically within six time periods ranging from the prehistoric and ancient periods to the contemporary period Each period has its own introduction that treats the major trends occurring in that era In addition 50 sidebars offer fascinating facts on various weapons Numerous illustrations throughout the text are also included
