David Cairns

The Image Of God:

Created in the Image of God Dr. David Dockery, 2023-08-01 All people have dignity because they are created in the image of God This theological belief has been a liberating force among its believers providing a myriad of beautiful implications in our world On the other hand where the idea of being created in God's image has been misunderstood the implications can be devastating Created in the Image of God brings together leading experts to discuss what it means to be made in image of God and to bring clarity and guidance for implications in the midst of our cultural confusion The overall approach of this work though distinct and focused in each of the chapters reflects a consensus understanding that men and women have been created in God's image that they have fallen and are influenced by sin that Christ has provided redemption through his vicarious death and resurrection and that there is hope in the promise of eternal life in Christ Christ succeeded where Adam failed Rom 5 12 21 1 Cor 15 allowing those who trust in him to enjoy and glorify him forever The rich chapters within and their helpful application to human dignity issues will help our world to regain a sense of the marvelous privilege that is ours as image bearers and how that should impact our engagement with complex dignity issues of our day *The Divine Image* Ian Alexander McFarland, Theologian Ian McFarland claims that Christians have mainly misappropriated the image of God language for 2000 years and thereby missed a rich resource for our knowledge of God What then does it mean to say that we are made in God's image or that Christ is the very image or prototype of God Rather than referring to some germinal divine element in humans such as reason McFarland claims that the image of God in us tells us something about God and how we know God It tells us that God though not identical with us communicates Godself to us in creative love in a way that offers precious clues about God's transcendence immanence triune life self disclosure incarnation and intentions for human life Too we learn from Jesus something new about God Gathered as Christ's body the church too images God and sets us on a quest to discern the image of God in Christ's incarnate body McFarland's careful and exacting work builds from this kernel a powerful Christian vision of God's life and our own destiny in Christ **The Image of God in Man** David Cairns, 1973 **Created in God's Image** Anthony A. Hoekema, 1986 Hoekema discusses the implications of the assertion that humankind was created in the image of God devoting several chapters to the biblical teaching on God's image the teaching of philosophers and theologians through the ages and his own theological analysis Suitable for seminary level anthropology courses yet accessible to educated laypeople Copyright Libri GmbH All rights reserved **The Image of God in an Image Driven Age** Beth Felker Jones, Jeffrey W. Barbeau, 2016-03-18 Humans are created in the image of God yet by choosing to rebel against God we become unfaithful bearers of his image But Jesus who is the image of God restores the divine image in us At the intersection of theology and culture these essays offer a unified vision of what it means to be truly human and created in the divine image in the world today **Dignity and Destiny** John F. Kilner, 2015-01-08 Misunderstandings about what it means for humans to be created in God's image have wreaked devastation throughout history for example slavery in the U S genocide in Nazi

Germany and the demeaning of women everywhere In Dignity and Destiny John Kilner explores what the Bible itself teaches about humanity being in God's image He discusses in detail all of the biblical references to the image of God interacts extensively with other work on the topic and documents how misunderstandings of it have been so problematic People made according to God's image Kilner says have a special connection with God and are intended to be a meaningful reflection of him Because of sin they don't actually reflect him very well but Kilner shows why the popular idea that sin has damaged the image of God is mistaken He also clarifies the biblical difference between being God's image which Christ is and being in God's image which humans are He explains how humanity's creation and renewal in God's image are central respectively to human dignity and destiny Locating Christ at the center of what God's image means Kilner charts a constructive way forward and reflects on the tremendously liberating impact that a sound understanding of the image of God can have in the world today

Man Gerrit Cornelis Berkouwer, 1962 This is a print on demand book and is therefore non returnable This study in theological anthropology considers man as the image of God the meaning of the image immortality and human freedom dealing always with living actual man and his inescapable relation to God

Made in the Image of God Reid A Ashbaucher, 2017-07-07 Made in the Image of God is a book that provides key concepts for understanding the nature and personhood of God and mankind while providing deeper insights into how we as human beings relate to God physically emotionally and spiritually in a metaphysical way both now and in the future Within this study there are discussions on such topics as The Nature of God The Nature of Mankind The Trinity and Jesus Christ as God and Man while providing concepts that will help open the door to understanding God's revelation concerning himself as revealed through the Scriptures One reader commented After fifty years of being a Christian and doing lots of Bible study this book gave me the clearest understanding of the Trinity and their interaction with me Made in the Image of God is good resource material for supplementing studies in Bible Theology Apologetics Anthropology Metaphysics or Philosophy of Religion

The Image of God Dr. Nathan G. David, 2010-08-11 This book serves as a teaching and study guide to weightier spiritual matters pertaining to the kingdom of God For the edification of the believer who is interested in going to the next level of spiritual understanding Its purpose is to enlighten and motivate the believer to search the scriptures fervently For increase in wisdom knowledge and understanding on what the believer has already learned God is challenging the believer to study and to put quality time in meditation and prayer to receive greater revelation In addition to broaden one's perspective on heavenly things Get your bible and follow along in study and plug into the scriptures that are rendered unto you as you read Moreover the Lord will open the fountains of heaven and pour out his Abundant Rain of kingdom revelation knowledge upon you In Jesus name Amen

The Image of God Eleonore Stump, 2022 Eleonore Stump explores the role and value of suffering in human life by addressing the problem of evil in Christian ethics the role of relationships in human flourishing and the question of what constitutes one's true self
