this book was done during the years 1975 1979 at the United Nations Library in the Palais des Nations Geneva while I was a doctoral student in International Relations at the Graduate Institute of International Studies Geneva We are experiencing at the time of writing a rapidly deteriorating situation in today s Muslim World with bloody conflicts inflicting unimaginable suffering on innocent Muslims in Bosnia Kashmir Algeria Palestine Chechnya etc Yesterday it was fifty thousand Muslim women raped in Bosnia and today s horror stories are about a son who was forced to bite off his Muslim father s testicles in Bosnia and the innocent blind Muslim Shaikh Omar Abdul Rahman who was condemned to life imprisonment in USA because he posed too great a threat to the pro west secular regime which rules Egypt and who is sexually humiliated by prison guards whenever he has a visitor at prison I am now convinced that the time has at last come for this work to reach the Muslim public who may now be sufficiently shaken up to look seriously for the causes of our impotence They may as a consequence take this work seriously and brush off the expected protests from establishment scholars and the governments that they support around the Muslim world

The Prohibition of Riba in Quran and Sunnah Imran HOSEIN, 2021-06 Being an explanation of the Islamic prohibition of riba i e borrowing and lending on interest among other things and an effort To remind Muslims of the teachings of the Quran and Sunnah as they pertain to the prohibition of riba and in particular that a violation of this prohibition constitutes a great sin To expose the grand design of hostile forces who have already made considerable progress through riba in gaining control over mankind Their aim is to gain total control and to use that power to destroy faith in Allah To assist Muslims to get out of direct involvement in riba and thus to preserve their faith iman while recognising that is is today impossible to live a life which is completely free from riba To explain the economic sunnah i e the Sunnah as it pertains to economic affairs and in particular the nature of the free and fair market and the different ways through which that market has today been totally corrupted To warn Muslims of the inevitable collapse of the present fraudulent system of non redeemable artificial money i e paper plastic and electronic money and to encourage them to return to the use of the real money created by Allah i e gold and silver coins and any other real money To contribute towards the restoration of the free and fair market with a different business ethic to that of the riba based capitalism by encouraging ba i business in the place of riba and the raising of capital by way of mudarabah and musharafa investments rather than bank loans on interest That time has now arrived
