Impressionists At Leisure Pamela Todd, 2007-10-30 Follows the fascinating characters around the Impressionists daily lives in Paris or to their frequent escapes to the countryside or the sea This book explores their passions and relationships and also the society they lived in and how they interacted with that society **Impressionism** John I. Clancy, 2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet C zanne Renoir Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important

school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history s most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes *The Impressionists* Francesco Salvi, 2008 This book describes the development of Impressionism and presents the eleven artists who made up the Impressionist group including reproductions and analyses of their work *The Impressionists at First Hand* Bernard Denvir, 2023-09-07 The Impressionists Monet Manet Degas Morisot Pissarro Renoir Sisley and others are probably the most popular of all artistic schools Their struggle to impose a new vision is one of the most absorbing in the whole history of art With imagination and insight art historian Bernard Denvir brings Impressionism into focus by showing it through the eyes of the artists themselves and their contemporaries against the background of the time Through letters critical reviews statements and reminiscences whether explosive or appreciative blinkered or perceptive of the people who were there the story of this ground breaking art movement comes alive This was the age of innovation political liberalization emergent photography and modern ideas about perception The Impressionists had new ways of painting but they also had a new world to paint This revised edition now features full colour reproductions of art throughout and an updated bibliography
