After all, a dream is just a dream until you put it into action.

Shamanic Awakening Sandra Corcoran, 2014-03-02 One woman's mystical path through grief into renewal, expanded awareness, and discovery of her own healing capabilities. Offers a lens into a wide variety of wisdom-keeping traditions and alternative healing paradigms throughout the Americas and Europe. Shows how the mystical path enables us to find renewal in times of profound loss. Details the author's awakening to the energies of the cosmos, which can guide us toward our destiny, balanced between our soul's dark and light energies. How do you find renewal after loss, especially the loss of a child? How do you find purpose and courage when loss is your constant teacher? After weeks of profound grief following the loss of her young daughter, Sandra Corcoran found herself inexplicably at a life-changing workshop on indigenous teachings and energy healing. With the first glimpse of the light that called her to the workshop, Corcoran found herself beginning a 30-year metaphysical journey, initially to heal her grief but eventually leading her from the darkness into the light of her own soul's evolution. Working with Native elders and indigenous wisdomkeepers throughout North Central and South America, Corcoran opened her heart to the immensity of the living energies of the cosmos and discovered her shamanistic gifts as an intuitive counselor, dreamtime decoder, and facilitator for others' self-healing. As she learned to discern these living energies and work with them, she also discovered the middle path between the soul's dark and luminous energies, striking the balance that allows us to fulfill our destiny. Sharing the core teachings of her many indigenous and esoteric mentors, including lessons in synchronicity, metaphysics, the extraordinary power of the heart, multi-dimensional realms, and energy healing, Corcoran leads readers on an adventure across continents through birth, death, ceremony, and ritual to renewal and the frontiers of expanded consciousness. She shows that no matter how far outside of the familiar we are led, we are guided back to ourselves and offered another opportunity to embrace our world and ultimately find our place in it.
