

The Cosmological Argument

1. Everything that begins to exist has a cause
2. The universe (all space, *time*, and matter) began to exist (The Big Bang)
3. Therefore, the universe has a cause.

This cause is *necessarily* spaceless, timeless, immaterial, and powerful; *plausibly* personal; and, known, *conceptually*, as God.

Picture from NASA
Argument adapted from Dr. William Lane Craig's *On Guard* and Dr. Norman Geisler and Dr. Frank Turek's *I Don't Have Enough Faith to be an Atheist*

The Intelligible Universe A Cosmological Argument

Charles Taliaferro

The Intelligible Universe A Cosmological Argument:

The Intelligible Universe Hugo A. Meynell, 1982-03-25

The Intelligible Universe Hugo Anthony Meynell, 1982

Return to Reason Kelly James Clark, 1990-03-22 Clark provides a penetrating critique of the Enlightenment assumption of evidentialism that belief in God requires the support of evidence or arguments to be rational His assertion is that this demand for evidence is itself both irrelevant and irrational His work bridges the gap between technical philosopher and educated layperson

Thinking About God Brian Davies, 2011-01-01 If it is reasonable to believe in God the ways in which God is thought of and spoken of deserve careful attention This book looks carefully at the philosophical implications for thinking and speaking about God the problems that have arisen and still arise and the various solutions that have been proposed In Part One Brian Davies examines the question of the reality of God Do we have reason to believe in God Arguments are discussed based on the beginning of the universe its continued existence the order it exhibits experience of God and the basis of morality Finally the Ontological Argument based on the concept of God is examined Part Two looks at questions raised by what is said about God Is talk about God meaningless If not in what sense can we talk about God What does it mean to say that God is eternal and changeless What does it mean to say that God is omnipotent omniscient omnipresent and good Does the existence of evil invalidate belief in God Part Three considers more precisely Christian belief in God Is there a rational basis for Christianity How does this relate to faith Can we make sense of the doctrines of the Incarnation and the Trinity Is prayer reasonable Throughout the book arguments from all sides are treated readably but rigorously There is generous provision of searching questions for discussion and further reading

Toward a Theology of Scientific Endeavour Professor Christopher B Kaiser, 2013-05-28 Foundations of science are specific conditions of the cosmos of human intelligence of cultural beliefs and of technological structures that make the pursuit of modern science possible Each of the four foundations of scientific endeavour can be studied as a topic on its own The concurrent study of all four together reveals several tensions and interconnections among them that point the way to a greater unification of faith and science This book explores four foundations of scientific endeavour and investigates some of the paradoxes each of them raises Kaiser shows that the resolution of these paradoxes inevitably leads us into theological discourse and raises new challenges for theological endeavour In order to address these challenges Kaiser draws on the wider resources of the Judeo Christian tradition and argues for a refocusing of contemporary theology from the perspective of natural science

Against Atheism Ian S. Markham, 2011-09-13 In this new book Ian Markham analyzes the atheistic world view opposing the arguments given by renowned authors of books on atheism such as Richard Dawkins Unlike other responses to the new atheism Markham challenges these authors on their own ground by questioning their understanding of belief and of atheism itself The result is a transforming introduction to Christianity that will appeal to anyone interested in this debate A fascinating challenge to the recent spate of successful books written by high profile atheist authors such as Richard Dawkins

Christopher Hitchens and Sam Harris Tackles these authors on their own ground arguing that they do not understand the nature of atheism let alone theology and ethics Draws on ideas from Nietzsche cosmology and art to construct a powerful response that allows for a faith that is grounded yet one that recognizes the reality of uncertainty Succinct engaging but robustly argued this new book by a leading academic and writer contains a wealth of profound insights that show religious belief in a new light

Beyond the Big Bang Willem B. Drees,1990 Originally presented as the author s thesis doctoral University of Groningen Includes bibliographical references p 291 316 and index

Does God Matter? Klaas Kraay,2017-12-14 Does God Matter features eleven original essays written by prominent philosophers of religion that address this very important yet surprisingly neglected question One natural way to approach this question is to seek to understand what difference God s existence would or does make to the value of the world and the well being of its inhabitants The first essay sets the stage for the discussion of this topic The three essays in Section I defend versions of pro theism the view that God s existence would or does make things better than they would otherwise be The four essays in Section II defend anti theism the view that God s existence would or does make things worse than they would otherwise be The three essays in Section III consider the interplay between the existential and axiological debates concerning the existence of God This book presents important research on a growing topic in philosophy of religion that will also be of keen interest to scholars working in other areas of philosophy such as metaphysics epistemology and value theory and in other disciplines such as religious studies and analytic theology

Consciousness and the Mind of God Charles Taliaferro,1994-08-25 This work addresses the challenge of contemporary materialism for thinking about God The book examines contemporary theories of consciousness and defends a non materialist theory of persons subjectivity and God A version of dualism is articulated that seeks to avoid the fragmented outlook of most dualist theories Dualism is often considered to be inadequate both philosophically and ethically and is seen as a chief cause of denigrating the body and of promoting individualism and scepticism Charles Taliaferro defends a holistic understanding of the person body relationship in which the two are distinguishable yet integrally related This integrated dualism is spelled out in a way that avoids the ethical and philosophical problems associated with other dualistic accounts especially in its Platonic and Cartesian forms A defence is then made of the intelligibility of thinking about God as non physical yet integrally present to creation Charles Taliaferro is co editor of the forthcoming A Companion to Philosophy of Religion with Philip Quinn He has had work published in among others The Philosophical Quarterly Metaphilosophy Philosophy and Phenomenological Research and Philosophia

Fifty Years of Philosophy of Religion: A Select Bibliography (1955-2005) Andy Sanders,Kristof de Ridder,2007-06-28 The bibliography lists about 10 000 titles of monographs collections and articles in the field of the philosophy of religion and philosophical theology that appeared between 1955 and 2005 The majority of them are in the English language but publications in German Dutch and French are listed as well Though it is not claimed to be exhaustive the bibliography offers a fairly representative survey of scholarly work

on the main topics of interest Publications have been systematically classified according to eleven main categories
Introductions Surveys and Historical Issues Part I Religious Language Part II Religious Experience Part III Religious
Epistemology Part IV Theism Part V Hermeneutics Part VI Religion and Science Part VII Religion and Aesthetics Part VIII
Religion and Morality Part IX Religious Pluralism Part X and Feminist Philosophy of Religion Part XI Part III has been
subdivided into Religious Experience and Mystical Experience Part VII into The Concept of God arguments for The Existence
of God The Problem of Evil and Atheism and Part VII into General and Historical Issues Theological Issues and implications of
Modern Physics Cosmology and Biology The bibliography will particularly be useful to scholars teachers and students in the
philosophy of religion philosophical theology and systematic theology as well as to those who are interested professionally or
otherwise in the results of academic scholarship in those fields

As recognized, adventure as without difficulty as experience not quite lesson, amusement, as well as bargain can be gotten by just checking out a books **The Intelligible Universe A Cosmological Argument** plus it is not directly done, you could undertake even more a propos this life, in the region of the world.

We provide you this proper as skillfully as simple mannerism to get those all. We have enough money The Intelligible Universe A Cosmological Argument and numerous books collections from fictions to scientific research in any way. among them is this The Intelligible Universe A Cosmological Argument that can be your partner.

The Intelligible Universe A Cosmological Argument Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Intelligible Universe A Cosmological Argument PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Intelligible Universe A Cosmological Argument PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Intelligible Universe A Cosmological Argument free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Intelligible Universe A Cosmological Argument Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Intelligible Universe A Cosmological Argument is one of the best book in our library for free trial. We provide copy of The Intelligible Universe A Cosmological Argument in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Intelligible Universe A Cosmological Argument. Where to download The Intelligible Universe A Cosmological Argument online for free? Are you looking for The Intelligible Universe A Cosmological Argument PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive

whatever you purchase. An alternate way to get ideas is always to check another The Intelligible Universe A Cosmological Argument. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Intelligible Universe A Cosmological Argument are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Intelligible Universe A Cosmological Argument. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Intelligible Universe A Cosmological Argument To get started finding The Intelligible Universe A Cosmological Argument, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Intelligible Universe A Cosmological Argument So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Intelligible Universe A Cosmological Argument. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Intelligible Universe A Cosmological Argument, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Intelligible Universe A Cosmological Argument is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Intelligible Universe A Cosmological Argument is universally compatible with any devices to read.
