Lipp, 2015-01-01 When was the last time you flirted with your husband Was it before you had kids Do you spend more time on the couch with your wife watching movies or with a bag of chips watching The Game Does your idea of a hot date include a drive thru and springing for the extra large fries What would your marriage look like if for 21 days you turned your attention to happy habits that will better your relationship Plenty of books describe how to improve a marriage how to save a marriage even how to ramp up intimacy in a marriage In Happy Habits for Every Couple Kathi Lipp and husband Roger show you practical fun filled ways to put love and laughter back into your marriage Here are just a few of the results you ll see when you put Happy Habits for Every Couple into practice new levels of warmth and tenderness in your relationship a deeper sense of security with your spouse a marriage filled with fun and flirting If you haven t given up the dream of being head over heels with your spouse again following this 21 day plan will give you just the boost you need to bring you closer together

The Marriage Project Kathi Lipp, 2009-12-01 More love more laughter more lingerie What would marriages look like if for 21 days husbands and wives put their marriage on project status Plenty of books describe how to improve marriage how to save a marriage and how to ramp up the intimacy in a marriage In The Marriage Project Kathi Lipp shows readers how to put the fun back in marriage with 21 simple yet effective projects such as doing something they enjoyed together before they got married or flirting with their spouse via e mail or text messages Each of the projects contains a project description suggestions for how to complete the project reports from other couples on how they accomplished the project a prayer a place to record project results In addition to the daily projects three bonus projects encourage couples to turn up the heat in the bedroom For couples who haven t given up on the dream of being head over heels with their spouse again The Marriage Project provides just the right boost Included are tips on how to use The Marriage Project to revitalize marriages in a local

church or small group **The Husband Project** Kathi Lipp, Kristine Rolofson, 2009 Using the sense of humor that draws thousands of women a year to hear her speak Kathi Lipp shows wives through simple daily action plans how they can bring the fun back into their relationship even amidst their busy schedules from publisher description **The Me Project** Kathi Lipp, 2011-02-01 Most women in the midst of careers marriage raising children and caring for parents set their personal goals aside The Me Project provides women with fun and creative ways to bring back the sense of purpose and vitality that comes with living out the plans and dreams God has planted in their hearts Kathi Lipp's warm tone and laugh out loud humor will motivate women to take daily steps toward bringing purpose back into their lives and give them the confidence they can do it in spite of busy schedules A woman who reads and applies The Me Project will discover the unique plan God has for her life and her role as a wife mother worker or volunteer gather a community of like minded women who want to make their goals a priority change her attitudes toward her roles in life as well as how she approaches her personal goals This handy guide coaches women to do one simple thing toward achieving their goals each day for three weeks bringing a sense of vitality and exhilaration back into their lives The G.H.O.S.T. Project Robert A Bolduc, 2022-08-01 Scott Hardy is a quantum physicist ahead of his time He theorized that ghosts were manifestations of alternate universes and he spent most of his life proving those universes are real and we can travel to them When he asked the government for funding they took his project away from him Twenty years later the government thought they solved the critical problem of keeping matter from Earth permanent in other universes An exploratory mission was sent to another universe and is now trapped there After the exploration team left the project discovered that matter from Earth will eventually dissolve and be absorbed by other universes Time is running out for the explorers so the project turns to Scott Hardy for help to get the people back before they die Hardy reluctantly agrees to help but when he arrives at the secret base where the government runs his project attempts are made on his life It seems the project isn't exactly secret and someone wants it to fail Can Hardy help the project team get their people home before their time runs out **The Husband Project** Keigh Michaels, Rin Ogata, 2014-05-15 After seeing her two best friends at her public relations agency get married Alison feels that something is missing in her single life She wants to love someone but has no interest in marriage She just wants a baby to give all her love to After suddenly landing herself in the emergency room Alison meets Dr Logan a competent doctor with a sarcastic tongue who upon her request agrees to help her make a baby However she must marry him in exchange Married to the Job (RLE Feminist Theory) Janet Finch, 2012-11-12 Married to the Job examines an important but under researched area the relationships of wives to their husbands work Janet Finch looks both at the way women's lives are directly affected by the work their husbands do and how they can get drawn into it These she sees as the two sides of wives incorporation Dr Finch discusses a wide range of occupations from obvious stereotypes services diplomatic clergy and political wives to more subtle but equally valid shades of involvement the wives of policemen merchant seamen prison officers the owners of small businesses and academics She

stresses that this process is by no means confined to the wives of professional men she argues that the nature of the work done and the way it is organised are more important pointers to the ways in which wives will be incorporated For specific illustrations Dr Finch draws substantially on her own original research on wives of the clergy Married to the Job clearly shows that marriage itself not just child bearing is an important feature of women s subordination Dr Finch points to the links between husband s work the family and its relationship to economic structures and suggests that wives are tied into those structures as much as anything through their vicarious involvement in their husband s work She views any prospects for change with caution The organisation of social and economic life makes it difficult for wives to break free from this incorporation even should they wish to it makes economic good sense for them to continue in most cases social life is organised so as to make compliance easy and it provides a comprehensible way of being a wife As an empirically based survey of women s subordination within marriage Married to the Job will prove essential reading to all those concerned about the position of women whether feminists academics or general readers It will also provide important background material for undergraduate courses on women s studies the sociology of the family the sociology of work and family policy

The Top Books of the Year The Husband Project The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Husband Project : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Husband Project : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
