The Ice Queen:

The Ice Queen Alice Hoffman, 2005-04-01 From the bestselling author of *The Rules of Magic* a miraculous enthralling tale of a woman who is struck by lightning and finds her frozen heart is suddenly burning Be careful what you wish for A woman who was touched by tragedy as a child now lives a quiet life keeping other people at a cool distance She even believes she wants it that way Then one day she utters an idle wish and while standing in her house is struck by lightning But instead of ending her life this cataclysmic event sparks a strange and powerful new beginning She goes in search of Lazarus Jones a fellow survivor who was struck dead then simply got up and walked away Perhaps this stranger who has seen death face to face can teach her to live without fear When she finds him he is her perfect opposite a burning man whose breath can boil water and whose touch scorches As an obsessive love affair begins between them both hide their most dangerous secrets what happened in the past that turned one to ice and the other to fire A magical story of passion loss and renewal *The Ice Queen* is Alice Hoffman at her electrifying best

that true resilience lies not only in strength but also in the warmth of love and the courage to confront one's fears. Each step she takes is a testament to the enduring spirit of the human heart, challenging the malevolent influence of the devil's mirror that seeks to fracture her mission and corrupt her intentions. The Snow Queen's Curse is an earnest tale steeped in the enchantment of classic fairy tales, where the beauty of winter contrasts with the darkness of adversity. It invites adult readers to journey alongside Gerda, reminding us all that even in the coldest of worlds, love's purity can illuminate the path to redemption and hope.
