Mission Impossible Made Possible Ratikanta Singh, 2016-04-03 The book is about the experiences of the author over a period of 50 days when he attempts and succeeds in giving up the addiction of smoking for good It speaks of the cravings for a smoke which refuses to die down of the craving that sometimes becomes impossible to handle and the steely determination with which the author was able to overcome his urge and quit smoking forever The book also touches upon the bad effects of smoking as also the toll it takes on a smoker and his family

My Yes Is on the Table Jennifer Hand, 2022-04-05 Isn't it time you said yes to God What's holding you back The risk The unknown The unwillingness to shake up the comfortable status quo Whatever it is if you're not in God's best place you're missing out on something great The Lord is calling you into a Promised Land But it's going to take some faith steps to get there Jenn Hand wants you to be able to say to God My yes is on the table Not halfheartedly Not half the time Not halfway there Jenn wants you to go all in with God because God is all in for you My Yes Is on the Table takes you into the story of the Israelites as they journeyed out of the wilderness and into the Holy Land that God had granted them Each chapter will challenge you to move from a fear stop to a faith step And once you've started taking those steps with God there's no telling where you'll end up For too long you've been paralyzed by fear of the future You feel God calling You want to go forward with His plans Yet fear has stopped you from taking the leap No more Instead of letting fear stop you short let faith call you forward with newfound confidence and holy boldness Put your yes on the table and watch God do more in your life than you could have ever imagined

Relentless John Beveré, 2012-12-18 Flee or Fight You experience adversity You know what it is like to endure hardship You hold on buckle down and ride the wave of bad fortune praying you will make it out alive You just do what it takes to survive But what if these trials had the raw potential to change your life What if the challenges you face could propel you to the next level of faith and maturity What if you were designed to thrive in adversity not merely get by John Beveré wants to take you on a journey to unlock your tenacity As he recounts the stories of Jesus and John the Baptist as well as those of many contemporary believers he presents a powerful pattern These pillars of faith do not just hang on and survive troubles They look adversity in the face and stare it down Armed with the truth in the Word and the power of prayer you too can join the determined ranks of the army of God Will you fight relentlessly Learn today how to fight never give up and enjoy all God has for you John Beveré has a mandate on his life to serve the body of Christ His desire to see everyone find and flourish in their God-given destiny is evident in his teachings His love for Christ and deep revelation of the Word of God will have you pursuing the cause of Christ relentlessly Brian and Bobbie Houston senior pastors Hillsong Church

The Ulysseans. The Theorem and the Myth for Sons & Sonship Dumi Nkomo, 2014-12-15 The

concept of Sonship in the 21st Century writings and sermons normally takes the form of protg and protge This is an important biblical principle where a mantle can be passed from fathers to sons It is however unfortunate that today many have claimed to be fathers without adherence to the biblical concept and likewise many claim sonship without a proper understanding of what it really means to be a son In Sons and Sonship Mr Nkomo helps to bring home the fact that God has a special purpose for you as a son sons of God There is a mandate that God has raised you for He is saying Son of Faith Arise and Shine carry out the mandate of your father Every son needs to find their purpose because creation is waiting For the earnest expectation of the creation eagerly waits for the revealing of the sons of God Romans 8 vs 19 This book will I trust help you identify your purpose and sonship and bringing a revival in your life

Gender, Race, and American Science Fiction

Jason Haslam, 2015-05-08 This book focuses on the interplay of gender race and their representation in American science fiction from the nineteenth century through to the twenty first and across a number of forms including literature and film Haslam explores the reasons why SF provides such a rich medium for both the preservation of and challenges to dominant mythologies of gender and race Defining SF linguistically and culturally the study argues that this mode is not only able to illuminate the cultural and social histories of gender and race but so too can it intervene in those histories and highlight the ruptures present within them The volume moves between material history and the linguistic nature of SF fantasies from the specifics of race and gender at different points in American history to larger analyses of the socio cultural functions of such identity categories SF has already become central to discussions of humanity in the global capitalist age and is increasingly the focus of feminist and critical race studies in combining these earlier approaches this book goes further to demonstrate why SF must become central to our discussions of identity writ large of the possibilities and failings of the human past present and future Focusing on the interplay of whiteness and its various others in relation to competing gender constructs
