The Impressionists:

The Impressionists Michael Wilson, 1990 The fascinating and moving story of the Impressionist painters

The Impressionists William Gaunt, 1970 The purpose of this book is to describe the aims and achievements of the Impressionist movement and to illustrate them in a magnificent series of colour plates It shows how within the framework of the movement each artist has applied his own interpretation of these aims to landscape portraiture and still life employing new technical methods as he discovered them Jacket [The Impressionists and Their Art](#) Russell Ash, 1980 This volume includes many of the great masterpieces of Impressionism The brilliant colours of Rouen Cathedral as captured by Monet Manet's once shocking nude in *The Picnic* the many beautiful women depicted by Renoir in Paris cafes and Degas snapshot visions of ballet dancers on and off stage But the book presents not only the works of the original Impressionists but also paintings by less familiar artists such as Fantin Latour Cassatt and Guillaumin The full scope of Impressionism however was not limited to its immediate adherents and this book also traces its later flowering in the work of the Post Impressionists and Neo Impressionists through reproductions of paintings by Seurat Van Gogh Gauguin and Toulouse Lautrec *The Art of the Impressionists* Janice Anderson (Writer on art), 1994 *The Impressionists* Francesco Salvi, 2008 This book describes the development of Impressionism and presents the eleven artists who made up the Impressionist group including reproductions and analyses of their work *The Impressionists' Paris* Ellen Williams, 1997 Carefully organised itineraries guide the tourist in Paris to Impressionist artists studios apartments and grave sites and the Parisian locations in their paintings Art history and anecdotes combine to inform the reader

Growing Up with the Impressionists Julie Manet, 2017-08-24 Julie Manet the niece of Edouard Manet and the daughter of the most famous female Impressionist artist Berthe Morisot was born in Paris on 14 November 1878 into a wealthy and cultured milieu at the height of the Impressionist era Many young girls still confide their inner thoughts to diaries and it is hardly surprising that with her mother giving all her encouragement Julie would prove to be no exception to the rule At the age of ten Julie began writing her memoirs but it wasn't until August 1893 at fourteen that Julie began her diary in earnest no neat leather bound volume with lock and key but just untidy notes scribbled in old exercise books often in pencil the presentation as spontaneous as its contents Her extraordinary diary newly translated here by an expert on Impressionism reveals a vivid depiction of a vital period in France's cultural history seen through the youthful and precocious eyes of the youngest member of what was surely the most prominent artistic family of the time [The Impressionists Handbook](#) Robert Katz, Dars Celestine, 1999 The two authors who are both knowledgeable writers with extensive background in the study of art and art history write engagingly about the history of impressionism and the life and works of Pissarro Manet Degas Monet Renoir and Sisley At 7x8.5 the book is compact but the format is large enough to accommodate decent reproductions of many of the paintings under consideration This is a thoughtfully prepared well written treatment of the subject with none of the ponderousness that handbook might imply It was originally published

in 1991 by Bookmart Ltd UK Annotation copyrighted by Book News Inc Portland OR *Paintings by the Impressionists*
Desmond Fitzgerald, American Art Association, 1927 *The Impressionists at First Hand* Bernard Denvir, 2023-09-07 The
Impressionists Monet Manet Degas Morisot Pissarro Renoir Sisley and others are probably the most popular of all artistic
schools Their struggle to impose a new vision is one of the most absorbing in the whole history of art With imagination and
insight art historian Bernard Denvir brings Impressionism into focus by showing it through the eyes of the artists themselves
and their contemporaries against the background of the time Through letters critical reviews statements and reminiscences
whether explosive or appreciative blinkered or perceptive of the people who were there the story of this ground breaking art
movement comes alive This was the age of innovation political liberalization emergent photography and modern ideas about
perception The Impressionists had new ways of painting but they also had a new world to paint This revised edition now
features full colour reproductions of art throughout and an updated bibliography
