Sir Oliver Lodge Returns:

Sir Oliver Lodge Returns Robert R. Leichtman, D. Kendrick Johnson, 1979 My Experiences While Out of My Body and My Return After Many Days Cora Linn Victoria Richmond, 1915 The Athenaeum, 1908 **The Great Return** Arthur Machen, 2022-08-01

In *The Great Return* Arthur Machen crafts a tale that perfectly intertwines the mystical with the real showcasing his mastery of supernatural and fantastical narratives. The story, rich in religious and metaphysical overtones, follows the extraordinary events that unfold in a small Welsh town after the rumored return of the Holy Grail. Machen's prose, embroidered with eloquence and an almost poetic cadence, captures the transformation of the mundane into the sacred and the profound impact on the townsfolk. The narrative deserves recognition not only for its content but also for its exceptional literary style, placing it within the context of both modernist and gothic literary traditions. Machen's work is a daring exploration of spiritual awakening and the ineffable mysteries that lie just beyond the veil of the visible world.

Arthur Machen, a Welsh author and mystic of the late 19th and early 20th centuries, was deeply influenced by the rich folklore of his homeland as well as his own mystical experiences. *The Great Return* is redolent of Machen's thematic preoccupations: the thin divide between the natural and the supernatural and the quest for a deeper truth. His works often echo the urgency to preserve a sense of wonder and the inexplicable in a rapidly modernizing world. This underlying philosophy, entwined with Machen's intricate knowledge of esoteric and occult traditions, imbues his narrative with a sense of authenticity and profound inquiry into the divine.

Lovers of classic literature and aficionados of the supernatural will be equally enthralled by *The Great Return*. This edition, lovingly brought forth by DigiCat Publishing, invites a new generation of readers to immerse themselves in the rich tapestry of themes and stylistic grandeur that Machen has to offer. The book is highly recommended for readers who appreciate a narrative that provokes existential contemplation, challenges the boundaries of the material world, and celebrates the mysterious beauty of the unseen.

As a testament to the enduring legacy of human imagination and spiritual quest, Machen's opus is an essential addition to the canon of fantastic literature.

The Karma of Untruthfulness Rudolf Steiner, 2005. 12 lectures. Dornach, January 1-30, 1917. CW 174. Although these lectures were given in 1916, they have much to teach us about today's political spin, media distortions, propaganda, and downright lies all delivered by the media on a daily basis. Rudolf Steiner's calm methodological approach penetrates the smokescreen of accusations and counterclaims, illusions, and lies surrounding World War I. From behind this fog and under the guise of outer events, the true spiritual struggle is revealed. Steiner's words give the reader a deeper understanding of the politics and world conflicts that confront us today through the filter of popular media.

Amid the turmoil of World War I, Steiner spoke out courageously against the hate, lies, and propaganda of the time. His detailed research into the spiritual impulses of human evolution allowed him to reveal the dominant role that secret brotherhoods played in events that culminated in that cataclysmic war. He warned that the retarding forces of nationalism must be overcome before Europe can find its true destiny. He also emphasized the urgent

need for new social structures in order to avoid such future catastrophes Political and social changes around the world are moving at a breathless pace hurtling us all toward an uncertain future These lectures illuminate much of what lies behind today's turbulent events and the scenes played out on the nightly news Like volume 1 this edition is placed within a modern context and introduced by Terry Boardman This volume is a translation from German of *Zeitgeschichtliche Betrachtungen Das Karma der Unwahrhaftigkeit Zweiter Teil Kosmische und Menschliche Geschichte Band V GA 174* *The Karma of Untruthfulness: v. 2* Rudolf Steiner, 2016-11-21 Although these lectures were given during 1916 they have much to teach us about the political spin media distortions propaganda and downright lies we encounter on a daily basis in public life Rudolf Steiner's calm and methodological approach penetrates the smokescreen of accusations and counterclaims of illusion and untruth surrounding the Great War Hiding behind this fog and under the guise of outer events he reveals the true spiritual struggle that is taking place His words give a deeper understanding of the politics and world conflicts that confront us today through the filter of the media In the midst of the turmoil of the First World War Steiner speaks out courageously against the hatred and untruthfulness in the propaganda of the time From his detailed research into the spiritual impulses of human evolution he describes the dominant role secret brotherhoods played in the events culminating in the cataclysmic war and warns that the retarding forces of nationalism must be overcome if Europe is to find its new destiny He also emphasizes the urgent need for new social structures if further catastrophes are to be avoided At a time when political events throughout the world are moving with breathless rapidity the reader will find much in these lectures that will illuminate what lies behind the symptoms of our turbulent times This new edition reproduced in a larger format is put in a modern context and introduced by Terry Boardman

Channeling Jon Klimo, 1998-04-17 In this study of channeling earlier called spirit communication or mediumship Klimo who teaches at Rosebridge Graduate School in the San Francisco Bay Area writes with clarity about the communication of information to or through a physically embodied human being from a source on some other level or dimension of reality other than the physical as we know it He profiles recent channels and their sources goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses Solomon Muhammad Merlin Nostradamus Swedenborg and Edgar Cayce He discusses the sorts of people who are channels kinds of information channeled sources of information channeled and varieties of channeling like clairvoyance and automatic writing According to Klimo few people tap into their abilities to perform channeling and for those who think they can he serves as guide

My Soldier Boy's Return Mary Krumm, 1921

The Athenæum James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1908

Channeling Joel Bjorling, 2019-06-19 Originally published in 1992 *Channeling* is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend

death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult

Light ,1928 Athenaeum and Literary Chronicle ,1908

The Quick and the Dead Richard van Emden,2012-06-07 At the end of the First World War more than 192 000 wives had lost their husbands and nearly 400 000 children had lost their fathers Few people remained unscathed The Quick and the Dead pays tribute to the families who were left behind while their husbands fathers and sons went off to fight and the generations that followed Through a unique collection of more than fifty interviews private diaries and a remarkable collection of unpublished letters written by the soldiers to their families back home The Quick and the Dead is a history of those who are commonly forgotten and neglected when the fallen are remembered on Armistice Day

The Collected Works of G.K. Chesterton Gilbert Keith Chesterton,1986 Edited by Fr James V Schall S J This next volume in Chesterton s series of collected works contains four of his books and four shorter English essays Three of the books are accounts of his travels two to Ireland and one to Palestine via Egypt The fourth book is Chesterton s own effort to explain English history to Englishmen as well as to other interested parties particularly the Irish All of these books date from about 1920 except Christendom in Ireland which concerns the 1932 Dublin Eucharistic Congress which Chesterton attended

Ether and Modernity Jaume Navarro,2018-08-30 Ether and Modernity offers a snapshot of the status of an epistemic object the ether or aether in the early twentieth century The contributed papers show that the ether was often regarded as one of the objects of modernity hand in hand with the electron radioactivity or X rays and not simply as the stubborn residue of an old fashioned long discarded science The prestige and authority of scientists and popularisers like Oliver Lodge and Arthur Eddington in Britain Phillip Lenard in Germany or Dayton C Miller in the USA was instrumental in the preservation defence or even re emergence of the ether in the 1920s Moreover the consolidation of wireless communications and radio broadcasting indeed a very modern technology brought the ether into audiences that would otherwise never have heard about such an esoteric entity The ether also played a pivotal role among some artists in the early twentieth century the values of modernism found in the complexities and contradictions of modern physics such as wireless action or wave particle puzzles a fertile ground for the development of new artistic languages in literature as much as in the pictorial and performing arts Essays on the intellectual foundations of Umberto Boccioni s art the linguistic techniques of Lodge and Ernst Mach s considerations on aesthetics and physics witness to the imbricate relationship between the ether and modernism Last but not least the ether played a fundamental part in the resurgence of modern spiritualism in the aftermath of the Great War This book examines the

complex array of meanings strategies and milieus that enabled the ether to remain an active part in scientific and cultural debates well into the 1930s but not beyond This portrait may be easily regarded as the swan song of an epistemic object that was soon to fade away as shown by Paul Dirac s unsuccessful attempt to resuscitate some kind of aether in 1951 with which this book finishes Science Progress in the Twentieth Century ,1914 *Hibbert Journal* ,1917 *Psychical Research for the Plain Man* S. M. Kingsford,1996-09 Outlook and Independent ,1907 New Outlook ,1907

If you ally craving such a referred **Sir Oliver Lodge Returns** book that will find the money for you worth, acquire the certainly best seller from us currently from several preferred authors. If you want to comical books, lots of novels, tale, jokes, and more fictions collections are afterward launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all book collections Sir Oliver Lodge Returns that we will extremely offer. It is not roughly the costs. Its practically what you dependence currently. This Sir Oliver Lodge Returns, as one of the most operating sellers here will extremely be among the best options to review.
