Who Killed Jules Crevaux? Isabelle Combès,2024-05-29 The first book to explore the deaths of explorer Jules Crevaux and his crew from an Indigenous perspective In 1882 the celebrated French explorer Jules Crevaux and his crew were killed by Indigenous people in the Bolivian Chaco a fiercely contested region on the border between Bolivia Argentina and Paraguay The event sparked an international uproar The scene of the crime was embroiled in clashes among various Indigenous peoples rubber tappers and missionaries Official investigators sent from France and competing newspapers ended up mired in a morass of equivocal ambiguous false and contradictory information To make sense of this event Isabelle Comb s is the first researcher to consult the local archives and to include the perspective of Indigenous peoples In search of who killed Crevaux and why Comb s unearths the power struggles and social imaginaries behind the incident and its aftermath Readers will find not only an engrossing story in these pages but also an exemplar of historical inquiry that questions the very nature of truth telling

Oblivion's Triumph Dylan McFadyen,2023-08-24 Shaara is running out of friends The sacrifices she and Warden made two years ago bought the League time not victory The war against the Undying has left them exhausted drained of everything but hope and precious little of that The simple fact is that the Undying are going to win Warden knows it Shaara knows it The Undying sure as hell know it Until out of the black the Eternal comes to Shaara with an offer she can t refuse however much she d like to The threat he warned her about two years ago is real and now it s come calling It cares nothing for their little war All life in the galaxy Undying or not will end if it spreads unchecked Shaara and the Eternal have little choice but to work together to destroy it At least for now But people on both sides aren t happy with an alliance however temporary Some of them are willing to risk all that lives just for a shot at power and revenge If Shaara can t find a way to defeat them she and the few friends she has left will lose more than their lives They ll lose everything

Oblivion's Blade Dylan McFadyen,2023-04-21 Shaara never asked to be in charge Since taking command of the mysterious AI warship Warden and the eccentric mercenary company that calls him home she s only accepted jobs that let her conscience sleep at night The trouble is those jobs don t pay too well After more than a year of fighting for the downtrodden the exploited and the oppressed the Wardens coffers are running dry So when they get a suspicious but lucrative offer from a pariah republic on the fringe of galactic politics Shaara ignores the warning voice in her head and accepts Of course the voice is right it usually is The contract takes the Wardens to the edges of explored space there in the vast darkness beyond the galactic core a great and terrible force is gathering a foe far deadlier than they ve ever fought The galaxy s not ready to face it Has Shaara saved them all from Gaeus Nemesis just to die another day What s more this new enemy holds the key to another mystery As they fight for their lives Shaara and Corax are forced to ask themselves a question they hoped they d never have to How much do they really know about Warden And can they trust him **The Education of Henry Adams** Henry Adams,1918 Air Power History ,1993 **The Education of Henry Adams** Henry Adams,2019-01-09 The Education of Henry Adams records the struggle of Bostonian Henry Adams in his later years to come to terms with the dawning 20th century so different from the world of his youth It is also a sharp critique of 19th century educational theory and practice The Modern Library placed it first in a list of the top 100 English language nonfiction books of the twentieth century The Education is much more a record of Adams s introspection than of his deeds It is an extended meditation on the social technological political and intellectual changes that occurred over Adams s lifetime Adams concluded that his traditional education failed to help him come to terms with these rapid changes hence his need for self education The organizing thread of the book is how the proper schooling and other aspects of his youth was time wasted thus his search for self education through experiences friendships and reading Two aspects set The Education apart from the common run of autobiographies First it is narrated in the third person second it is frequently sarcastic and humorously self critical The Strong Silent Type Marie Ferrarella,2010-07-17 A female cop falls for her sexy partner despite the emotional obstacles in their pasts in this western romance from a USA Today bestselling author Until Jack Hawkins became her partner Teri Cavanaugh had never encountered a case she couldn t crack or a cop whose life wasn t an open book Male detectives wanted to be Hawk Women flat out wanted him Teri simply wanted to know the man behind the badge because her sixth sense smelled a story Hawk resisted but a good cop knew the value of patience Of course a good cop also knew not to kiss one s partner Or to cross the line from being partners to being lovers Yet Teri was guilty on both counts and worse seemed powerless to stop what she had started **Oblivion Song By Kirkman & De Felici #8** Robert Kirkman,2018-10-10 Nathan Cole is reminded once again that actions have consequences **The New Yale Book of Quotations** Fred R.
