### **Small Island Special Edition:**

**Uriah's War** Andrea Levy, 2014-06-19 Written to mark the centenary of the outbreak of WWI this short story by multi award winning million copy bestselling author Andrea Levy tells the tale of two Jamaican service men in that conflict

Reading Beyond the Book Danielle Fuller, DeNel Rehberg Sedo, 2013-04-02 Literary culture has become a form of popular culture over the last fifteen years thanks to the success of televised book clubs film adaptations big box book stores online bookselling and face to face and online book groups This volume offers the first critical analysis of mass reading events and the contemporary meanings of reading in the UK USA and Canada based on original interviews and surveys with readers and event organizers The resurgence of book groups has inspired new cultural formations of what the authors call shared reading They interrogate the enduring attraction of an old technology for readers community organizers and government agencies exploring the social practices inspired by the sharing of books in public spaces and revealing the complex ideological

investments made by readers cultural workers institutions and the mass media in the meanings of reading **Indian Ocean Islands** Christian Bouchard, Shafick Osman, 2018-12-07 Islands are intrinsic parts of the Indian Ocean Region s physical geography and human landscape Historically many have played substantial roles in the regional cultural and economic networks as well as in the regional political developments Today at least three issues bring these islands back to the forefront of the regional and global affairs namely geopolitics and strategic matters environmental conditions and challenges as well as ocean affairs However there has not been yet a lot of research and publications on this phenomenon of islands growing significance in the specific context of the Indian Ocean Region This book provides a rare attempt to cover various issues related to geopolitics international relations history security anthropology and ocean environment of Indian Ocean islands and their societies More specifically it provides case studies on Sri Lanka foreign policy Cocos and Christmas Islands geo strategy Chagos Archipelago history Mauritius Indo Mauritians Mauritius and Seychelles maritime security European Union and the Indian Ocean Islands international relations and Sundarban islands environment and society The chapters were originally published in a special issue of the Journal of the Indian Ocean Region Island Sustainability II S. Favro, C. A. Brebbia, 2013 Containing the papers presented at the second conference organised on island sustainability by the Wessex Institute of Technology the book addresses the massive scale of seasonal population mobility that has such a profound effect on coastal regions and islands The problems that result from large temporary increases in population are especially serious for islands and archipelagos which have limited resources and possibilities of developing supporting infrastructures Most islands cannot provide all the resources required by a large seasonal tourist population in many cases basic requirements such as water and energy as well as agricultural produce must therefore be imported Authorities need to carefully evaluate the impact of large seasonal population increases on the community and the resulting socio economic factors as well as issues related to transportation and communication all of which should be part of an overall strategy The topics covered

include Tourism Impact and Strategies Community Issues Changing Climate and Environment Infrastructure Transport Issues Natural Resources Energy Issues Risk and Safety Waste Management and Island Services Global Environment Outlook 4 United Nations Environment Programme,2007 The fourth report in the Global Environment Outlook series provides a comprehensive scientifically credible policy relevant and up to date assessment of and outlook for the state of the global environment Environment for development is the GEO 4 underlying theme and the report pays special attention to the role and impact of the environment on human well being as well as to the use of environmental valuation as a tool for decision making GEO 4 s 2007 publication date marks the half way point for the Millennium Development Goals The environment as well as being the subject of MDG 7 is also a thread that runs through all the goals Includes Errata
