Prove Yourself Kingsley R. Chin MD MBA, 2023-03-15 My vision pulls me along and fuels my desire to continuously educate myself on how to succeed in life and business to rise far above the low level that I started out at in life How does my vision continue to drive me even though I have risen to much success I have made it a habit to pursue success and to not become comfortable with past successes The way you get success is from success no matter how small So I am always working on success and as I achieve successes I am able to see more opportunities to succeed Daily I look myself in the mirror to remind myself I am underachieving and I must keep learning and staying relevant in the world today so I can make an impact and be influential I know I can achieve more because when I compare what I know today versus a few months ago or a year ago I see that I could have done better in the past if I had the

knowledge I have today You also don't know what you don't know you don't know so I want to learn fast so I can achieve more Achieving more is not just a quantity for me it is being able to win trophies and close out many of my opportunities
