Boxing's Strangest Fights Graeme Kent,2015-06-04 That boxing has always attracted colourful larger than life figures is amply borne out by the bizarre collection of true stories gathered together in this fascinating book Bringing together the rich history and folklore of the fight game Graeme Kent who first became interested in boxing after listening to the tales of his sporting grandmother has amassed over a hundred events in over 250 years of the sport These intriguing stories include that of the two boxers who scored a double knockout the bout in which four different decisions were given and the strange tale of the boxer who had part of his ear bitten off as well as many other besides In compiling this collection Graeme Kent has interviewed many fighters and followers of boxing and the funny and sometimes tragic tales recounted here provide a rich and offbeat alternative history of this ever popular sport Japan's Fight for Freedom Herbert Wrigley Wilson,1905

Fighting for Spain Alexander Clifford,2020-08-30 In the English speaking world the Spanish Civil War is perhaps best remembered through the exploits of thousands of foreign volunteers from across the globe who joined the International Brigades a force of communists socialists and others who took their opposition to fascism to extraordinary lengths Their passionate political commitment to Spain s cause and determination in battle placed them among the crack troops of the Republic s People s Army Yet while much has been written about the political social and cultural significance of the brigades and their experience in Spain less has been said about their performance as front line troops It is this military history that Alexander Clifford focuses on in vivid detail in this highly illustrated new study His account tells the story of the brigades as combat units tracing the course of each major battle in which they fought and showing the drastic changes they underwent as the war progressed from an untrained militia in 1936 to the tried and tested shock troops of 1937 to a shadow of their former selves by 1938 after repeated maulings and the introduction of Spanish conscripts to fill their ranks **The**
