Other Academic Adventures Martin L. Friedland, 2015-05-27 Since his call to the Bar in 1960 Martin L. Friedland has been involved in a number of important public policy issues including bail legal aid gun control securities regulation access to the law judicial independence and accountability and national security *My Life in Crime and other Academic Adventures* offers a first hand account of the development of these areas of law from the perspective of a man who was heavily involved in their formation and implementation It is also the story of a distinguished academic author and former dean of law at the University of Toronto Moving beyond the boundaries of conventional memoir Friedland offers an extended meditation on public policy issues and significant events in the field of law discussing their historical impact and predicting the course of their future development Given his personal experience there is no other person more suited to discuss these hugely important issues Friedland puts the law and legal institutions into a wider context looking at the role of personalities politics and pressure groups in the establishment of laws that continue to have tremendous importance for Canadians *My Life in Crime and other Academic Adventures* reflects upon a life devoted to education scholarship and the law and is an insider account of public policy issues that have come to shape life in this country in the twentieth century and beyond

The Persons Case Robert J. Sharpe, Patricia I. McMahon, 2017-06-22 On 18 October 1929 John Sankey England's reform minded Lord Chancellor ruled in the *Persons* case that women were eligible for appointment to Canada's Senate Initiated by Edmonton judge Emily Murphy and four other activist women the *Persons* case challenged the exclusion of women from Canada's upper house and the idea that the meaning of the constitution could not change with time The *Persons* Case considers the case in its political and social context and examines the lives of the key players Emily Murphy Nellie McClung and the other members of the famous five the politicians who opposed the appointment of women the lawyers who argued the case and the judges who decided it Robert J. Sharpe and Patricia I. McMahon examine the *Persons* case as a pivotal moment in the struggle for women's rights and as one of the most important constitutional decisions in Canadian history Lord Sankey's decision overruled the Supreme Court of Canada's judgment that the courts could not depart from the original intent of the framers of Canada's constitution in 1867 Describing the constitution as a living tree the decision led to a reassessment of the nature of the constitution itself After the *Persons* case it could no longer be viewed as fixed and unalterable but had to be treated as a document that in the words of Sankey was in a continuous process of evolution The *Persons* Case is a comprehensive study of this important event examining the case itself the ruling of the Privy Council and the profound affect that it had on women's rights and the constitutional history of Canada
