

The New Testament Hope

SABBATH AFTERNOON

Read for This Week's Study: *1 Cor. 15:12–19, John 14:1–3, John 6:26–51, 1 Thess. 4:13–18, 1 Cor. 15:51–55.*

Memory Text: “And this is the testimony: that God has given us eternal life, and this life is in His Son. He who has the Son has life; he who does not have the Son of God does not have life” (*1 John 5:11, 12, NKJV*).

Though writing in Greek, all the New Testament writers (except Luke) were Jews, and they of course approached the nature of human beings from the wholistic Hebrew perspective, not from the Greek pagan one.

Thus, for Christ and the apostles, the Christian hope was not a new hope but, rather, the unfolding of the ancient hope already nurtured by the patriarchs and prophets. For example, Christ mentioned that Abraham foresaw and rejoiced to see His day (*John 8:56*). Jude stated that Enoch prophesied about the Second Coming (*Jude 14, 15*). And the book of Hebrews speaks of the heroes of faith as having expected a heavenly reward that they would not receive until we receive ours (*Heb. 11:39, 40*). This statement would be meaningless if their souls were already with the Lord in heaven.

By stressing that only those who are in Christ have eternal life (*1 John 5:11, 12*), John disproves the theory of the natural immortality of the soul. Truly, there is no eternal life apart from a saving relationship with Christ. The New Testament hope, then, is a Christ-centered hope, and the only hope that this mortal existence will one day become an immortal one.

Testament Of Hope:

A Testament of Hope Martin Luther King, 1990-12-07 We've got some difficult days ahead civil rights activist Martin Luther King Jr told a crowd gathered at Memphis's Clayborn Temple on April 3 1968 But it really doesn't matter to me now because I've been to the mountaintop And I've seen the promised land I may not get there with you But I want you to know tonight that we as a people will get to the promised land These prophetic words uttered the day before his assassination challenged those he left behind to see that his promised land of racial equality became a reality a reality to which King devoted the last twelve years of his life These words and other are commemorated here in the only major one volume collection of this seminal twentieth century American prophet's writings speeches interviews and autobiographical reflections **A Testament of Hope** contains Martin Luther King Jr's essential thoughts on nonviolence social policy integration black nationalism the ethics of love and hope and more

Thirteen Turns Larry Donnell Covin Jr., 2020-06-01 It is remarkable that African Americans the descendants of slaves embrace Christianity at all The imagination that is necessary to parse biblical text and find within it a theology that speaks to their context is a testimony to their will to survive in a hostile land Black religion embraces the cross and the narrative of Jesus as savior both theologically and culturally But this does not suggest that African Americans have not historically and do not now struggle with the reconciliation of the cross black life suffering African Americans are well aware of the shared relationship of Christianity with the white oppressors of history The religion that helped African Americans to survive is the religion that was instrumental in their near genocide

The Nonviolent Apocalypse Jeffrey D. Meyers, 2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation's resistance arguing that Revelation's famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation's proclamation of God's way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God's vision for the world

Jesus and Justice Peter Goodwin Heltzel, 2009-07-21 This timely book investigates the increasing visibility and influence of evangelical Christians in recent American politics with a focus on racial justice Peter Goodwin Heltzel considers four evangelical social movements Focus on the Family the National Association of Evangelicals Christian Community Development Association and Sojourners The political motives and actions of evangelical groups are founded upon their conceptions of Jesus Christ Heltzel contends He traces the roots of contemporary evangelical politics to the prophetic black Christianity tradition of Martin Luther King Jr and the socially engaged evangelical tradition of Carl F H Henry Heltzel shows that the basic tenets of King's and Henry's theologies have led their evangelical heirs toward a prophetic evangelicalism in a shade of blue green blue symbolizing the tragedy of black suffering in the Americas and green symbolizing the hope of a prophetic evangelical engagement with poverty AIDS and the environment This fresh theological understanding of evangelical political groups shines new light on the ways evangelicals shape and are shaped by broader American culture

Walking in the Prophetic Tradition Jason A. Bembry, 2018-10-31 Contrary to popular belief the biblical prophets do far more than predict the future They speak truth to power they tell the truth about the uncomfortable past they indict empty religiosity they advocate for poor people and working people while seeking justice all at tremendous risk to themselves In *Walking in the Prophetic Tradition* Jason Bembry argues that the prophets have too often been domesticated by cultural impulses that reduce the prophetic message to prediction about Jesus or the end times This book highlights themes addressed by the Old Testament prophets and connects each theme to modern people who exemplify passion for those same ideals In this sense the prophetic tradition comes to life in the lived testimony of Martin Luther King Jr Dorothy Day Myles Horton Cesar Chavez and Cornel West moderns who stand courageously in this tradition This book is a guide for all who seek a fuller understanding of the Old Testament prophets and who want to continue their work in the present

Antiracism Alex Zamalin, 2019-03-19 An introduction to antiracism a powerful tradition crucial for energizing American democracy On August 12 2017 in Charlottesville Virginia a rally of white nationalists and white supremacists culminated in the death of a woman murdered in the street Those events made clear that racism is alive and well in the United States of America However they also brought into sharp relief another American tradition antiracism While racists marched and chanted in the streets they were met and matched by even larger numbers of protesters calling for racism's end Racism is America's original and most enduring sin with well known historic and contemporary markers slavery lynching Jim Crow redlining mass incarceration police brutality But racism has always been challenged by an opposing political theory and practice Alex Zamalin's *Antiracism* tells the story of that opposition The most theoretically generative and politically

valuable source of antiracist thought has been the black American intellectual tradition While other forms of racial oppression for example anti-Semitism Islamophobia and anti-Latino racism have been and continue to be present in American life antiblack racism has always been the primary focus of American antiracist movements From antislavery abolition to the antilynching movement black socialism to feminism the long Civil Rights movement to the contemporary Movement for Black Lives Antiracism examines the way the black antiracist tradition has thought about domination exclusion and power as well as freedom equality justice struggle and political hope in dark times Antiracism is an accessible introduction to the political theory of black American antiracism through a study of the major figures texts and political movements across US history Zamalin argues that antiracism is a powerful tradition that is crucial for energizing American democracy *The Only Alternative* Alan Nelson, John Malkin, 2008-06-15 The radical message of Jesus is that there is only one alternative to the common method of confronting violence with more violence *The Only Alternative* Christian Nonviolent Peacemakers in America explores the spiritually active practice of compassionate nonviolence Here is a journey through the lives of seven courageous American peacemakers who have embodied Christian nonviolence and dedicated their lives to addressing the suffering caused by racial discrimination slavery poverty militarism nuclear weapons prisons environmental degradation and the psychology of fear and hatred Here are highlights from the inspirational ideas and actions of Martin Luther King Jr Dorothy Day Thomas Merton Rufus Jones Thomas Kelly Jim Douglass and Kathy Kelly They remind us that to be Christian is to use the power of love to transform spiritual economic and social violence The great turning from violence to nonviolence is the story of Christianity in America There has never been a more urgent time for this revolutionary teaching to be heard understood and lived It is no longer a choice my friends between violence and nonviolence It is either nonviolence or nonexistence Martin Luther King Jr Human beings are now facing the stark choice between survival and destruction amid myriad forms of violence The nonviolent peacemakers within this book can inspire the peacemaker within each of us to cultivate a direct relationship with God and love through contemplation meditation writing and compassionate action based in the life and teachings of Jesus [A Commonwealth of Hope](#) Michael Lamb, 2024-11-26 A bold new interpretation of Augustine's virtue of hope and its place in political life When it comes to politics Augustine of Hippo is renowned as one of history's great pessimists with his sights set firmly on the heavenly city rather than the public square Many have enlisted him to chasten political hopes highlighting the realities of evil and encouraging citizens instead to cast their hopes on heaven *A Commonwealth of Hope* challenges prevailing interpretations of Augustinian pessimism offering a new vision of his political thought that can also help today's citizens sustain hope in the face of despair Amid rising inequality injustice and political division many citizens wonder what to hope for in politics and whether it is possible to forge common hopes in a deeply polarized society Michael Lamb takes up this challenge offering the first in-depth analysis of Augustine's virtue of hope and its profound implications for political life He draws on a wide range of Augustine's writings including neglected sermons

letters and treatises and integrates insights from political theory religious studies theology and philosophy Lamb shows how diverse citizens both religious and secular can unite around common hopes for the commonwealth Recovering this understudied virtue and situating Augustine within his political rhetorical and religious contexts *A Commonwealth of Hope* reveals how Augustine's virtue of hope can help us resist the politics of presumption and despair and confront the challenges of our time
