Pendergast III, 2008-12-23 With a history that of open marriages staggering divorce rates single parent homes shacking up with significant others and living together and often troubled blended families it seems that the option of a happy life long marriage no longer exists in todays secularized feminized world of radical individualism Yet hidden under this shabby veneer most persons still long for something still desire real meaning still feel the pull towards permanence a romantic ideal to be completed It just wont go away This ideal real marriage survives as a dream though this joyful state cannot be found in any of the alternatives available from a secular world thats devoid of absolutes and allows any unhappy permutation Is there any hope There is But it doesnt lie in constantly trying to redefine marriage and consistently failing to make anyones life better It lies in returning to what Sacred Marriage was always meant to be a sacrament of Life That however can only be found if we return to being what we ourselves were always meant to be spiritual beings that are larger than the material world and actually grasp what it means to love and risk loving Want to know how Look inside **Reflections on 90-Minutes in Heaven** Angela Shears, Donna Scuderi, Shae Cooke, Tammy Fitzgerald, 2009-10-28 With 1 4 million copies in print and as a NewYork Times and USA Today bestseller 90 Minutes in Heaven by Don Piper has made a difference in how many people view life and Heaven As the third book in The Powder Room series Reflections From the Powder Room on 90 Minutes in Heaven exposes real life serious and not so serious discussion about life death and everything in between Readers will enjoy journeying along with four women whose beliefs ideas and experiences are as different as the lipstick they wear and the lives they lead Realizing that discussions about the afterlife eternity immortality and the hereafter have for centuries sparked intellectual deliberations religious arguments and personal introspection they tackle these topics with all the finesse their stilettos and pink bunny slippers will allow There is no doubt these wikipowderroom type cliff notes about 90 Minutes in Heaven will create conversation in book clubs classrooms and kitchens as readers question their views about life and death as well as Heaven and hell **Religion in Uniform** Edward Waggoner, 2019-10-03 Religion in Uniform argues powerfully that Americans must reform their military's chaplaincy Americans fund this public project to serve all persons in the armed forces but the chaplaincy currently fails to do so Waggoner shows that Americans support for keeping chaplain positions in the military has always rested on a mix of political military and religious rationales that continue to evolve He argues political military and theological reasons to eradicate bias gender discrimination and sexual violence in the chaplain corps and to stop the use of chaplains in strategic roles abroad Acknowledging that Christian groups are providing the strongest support for the chaplaincy's status quo Waggoner contests the specific theological claims that underwrite their policies He launches a

new critical and constructive discussion about US military religion for the twenty first century **Fill Your Life with Love**
Mark Lehman,2007-08 Lehman reveals how to ensure every phase of life becomes a blessing through Gods supernatural
power Practical Life *The Nature of Love* Thomas Jay Oord,2010-04-01 God is love Consequently shouldn't love exist at the
center of Christian theology When love is at the center theology is understood differently than it has typically been
understood Some theologians have placed faith at the center others God's sovereignty still others the Church but Dr Oord
places the emphasis on love God's love for us revealed in Christ in the Church and in creation and our love for God and
others as ourselves must be afforded its rightful place Beginning with the foundation of love is what differentiates the
Christian faith from others a loving God Dr Oord defines love as To love is to act intentionally in sympathetic empathetic
response to God and others to promote overall well being Is this not what has defined Christians throughout history
