James S. Robbins

Tet Offensive:

The Tet Offensive James H. Willbanks, 2008-12-09 In the Tet Offensive of 1968 Viet Cong and North Vietnamese forces launched a massive countrywide attack on South Vietnam Though the Communists failed to achieve their tactical and operational objectives James Willbanks claims Hanoi won a strategic victory The offensive proved that America's progress was grossly overstated and caused many Americans and key presidential advisors to question the wisdom of prolonging combat Willbanks also maintains that the Communists laid siege to a Marine combat base two weeks prior to the Tet Offensive known as the Battle of Khe Sanh to distract the United States It is his belief that these two events are intimately linked and in his concise and compelling history he presents an engaging portrait of the conflicts and singles out key problems of interpretation Willbanks divides his study into six sections beginning with a historical overview of the events leading up to the offensive the attack itself and the consequent battles of Saigon Hue and Khe Sahn He continues with a critical assessment of the main themes and issues surrounding the offensive and concludes with excerpts from American and Vietnamese documents maps and chronologies an annotated list of resources and a short encyclopedia of key people places and events An experienced military historian and scholar of the Vietnam War Willbanks has written a unique critical reference and guide that enlarges the debate surrounding this important turning point in America's longest war **The Tet Offensive** James J. Wirtz, 2013-07-12 In this account of one of the worst intelligence failures in American history James J. Wirtz explains why U.S. forces were surprised by the North Vietnamese Tet Offensive in 1968 Wirtz reconstructs the turning point of the Vietnam War in unprecedented detail Drawing upon Vietcong and recently declassified U.S. sources he is able to trace the strategy and unfolding of the Tet campaign as well as the U.S. response *The Tet Offensive* William Thomas Allison, 2010-04-26 Through primary sources William Thomas Allison explores the Tet Offensive through political military and public lenses to give students the most well rounded view of the event possible **The Tet Offensive** David F. Schmitz, 2005-09-29 On January 30 1968 approximately 84 000 North Vietnamese Army and National Liberation Front forces launched nearly simultaneous attacks against over 100 cities and military installations in South Vietnam The well coordinated urban attacks came during the most sacred of Vietnamese holidays and caught American commanders by surprise The results of the Tet Offensive were monumental tens of thousands were killed and many more wounded But its importance goes far beyond its military outcome to the powerful political psychological and economic impact in the United States In this new work historian David F. Schmitz analyzes what is arguably the most important event in the history of the Vietnam conflict Schmitz situates the Tet Offensive in the context of American foreign policy and the state of the war up to 1968 while carefully considering the impact of the media on American public opinion Through his up to date analysis of recently available sources Schmitz works to dispel myths and clarify the central debates surrounding this pivotal event that brought an end to American escalation of the war and led to LBJ's decision to withdraw from the presidential race *The Tet*

Offensive, 2005 Discusses the key people and events of the surprise attack launched by the North Vietnamese army and the Viet Cong in 1968 **The Vietnam War** Anthony Tucker-Jones, 2014-10-27 This Vietnam War history examines the grueling Tet Offensive and America's struggle against the Viet Cong with more than 180 wartime photographs On January 30th 1968 the North Vietnamese communists launched a coordinated surprise attack across South Vietnam against the South Vietnamese and American armies Superior firepower eventually crushed the offensive but it proved to be a major moral victory for the communists and a turning point in the Vietnam War In this photographic history Anthony Tucker Jones tells the story of Tet through both color and black and white images showing all sides of the conflict The result is a vivid reassessment of this defining moment in the bitter campaign against communism in South East Asia The images show the conditions the nature of the fighting and the equipment and the weaponry used with special focus on the battles for Hue Khe Sanh and Saigon They show the impact of combat on civilian populations as their communities became battlegrounds And they illustrate why the assault caused many at home across the US to lose faith in America's commitment to the South

This Time We Win James S. Robbins, 2012 James S Robbins provides an antidote to the flawed Tet mythology still shaping the perceptions of American military conflicts against unconventional enemies and haunting our troops in combat In his re-examination of the Tet Offensive Robbins analyzes the Tet battles and their impact through the themes of terrorism war crimes intelligence failure troop surges leadership breakdown and media bias The Viet Cong 'Tet' Offensive (1968) Văn Sơn Phạm, Văn Dương Lê, 1969 Tet Offensive 1968 James Arnold, 2012-09-20 A slim detailed volume on a key moment in the Vietnam War featuring battlescenes maps and archive photography The 1968 Tet Offensive was the decisive battle for Vietnam Masterminded by the brilliant North Vietnamese General Vo Nguyen Giap it was intended to trigger a general uprising in South Vietnam However the bloody fighting for Saigon Hue and other cities actually resulted in a catastrophic defeat for the North In this excellent assessment of the key battle of the Vietnam conflict James Arnold details the plans and forces involved and explains how despite the outcome of the battle the American people and their leaders came to perceive the war for Vietnam as lost **Tet Offensive 1968** James R. Arnold, The American War Library in Gardena California presents a collection of Internet resources on the 1968 Tet Offensive of the Vietnam War The offensive involved attacks by the Vietcong and the North Vietnamese against cities in South Vietnam These attacks were considered a turning point in the war
