Tevyes Grandchildren Rediscovering A Jewish Identity:

Tevye's Grandchildren Eleanor Mallet, 2010-04-01 In *Tevye's Grandchildren Rediscovering a Jewish Identity* Eleanor Mallet describes the unusual journey she took to understand her Jewish past. Like many American Jews she was secular, assimilated, and part of the successful mainstream. When her sons came of age they reached for a richer, more open way of being Jewish. Their interest sent her on an exploration in which she plunged into the dynamic and relatively recent field of Jewish history, studied Hebrew, and traveled to Israel and Germany. Mallet's book provides a tour from a personal vantage of the historical forces that are in play for Jews today. In it she connects the sparse outline of her Jewish past with its fleshy, fractured history. Her Judaism had a passionate center which found expression in part in Israel. Yet it was also filled with the dissonance that flowed from American assimilation and the Holocaust's aftermath. These are the forces that have preoccupied the Jewish community for quite some time. Understanding them has taken on a new urgency with the recent and not always welcome prominence Jewishness and Israel have on today's world stage. *Jewish Lesbian Scholarship in a Time of Change* Marla Brettschneider, 2022-07-25 *Jewish Lesbian Scholarship in a Time of Change* is the first major work in Jewish lesbian studies in more than a decade. Once a vibrant field, few works in Jewish queer studies in recent years have looked at the experiences of and scholarship on Jewish women, feminists, and those identified as lesbians. Correcting a twenty-first century shift away from explicitly feminist investigations in Jewish queer and LGBTQ studies, this work signals a new trend of scholarly works in the field. The chapters span an array of genres, presenting the rich diversity of Jewish lesbians as they are, as well as of Jewish lesbian scholarship today. This collection makes an innovative contribution to Jewish studies, lesbian and queer studies, gender studies, as well as to racial and cultural diversity studies. This book was originally published as a special issue of the *Journal of Lesbian Studies*. Lillian Wald Marjorie N. Feld, 2012-09-01 Founder of Henry Street Settlement on New York's Lower East Side as well as the Visiting Nurse Service of New York. Lillian Wald, 1867-1940, was a remarkable social welfare activist. She was also a second-generation German Jewish immigrant who developed close associations with Jewish New York, even as she consistently dismissed claims that her work emerged from a fundamentally Jewish calling. Challenging the conventional understanding of the Progressive movement as having its origins in Anglo-Protestant teachings, Marjorie Feld offers a critical biography of Wald in which she examines the crucial and complex significance of Wald's ethnicity to her life's work. In addition, by studying the Jewish community's response to Wald throughout her public career from 1893 to 1933, Feld demonstrates the changing landscape of identity politics in the first half of the twentieth century. Feld argues that Wald's innovative reform work was the product of both her own family's experience with immigration and assimilation as Jews in late nineteenth-century Rochester, New York, and her encounter with Progressive ideals at her settlement house in Manhattan. As an ethnic working on behalf of other ethnics, Wald developed a universal vision that was at odds with the ethnic particularism with which she is now identified. These tensions between universalism and particularism

assimilation and group belonging persist to this day Thus Feld concludes with an exploration of how after her death Wald s accomplishments have been remembered in popular perceptions and scholarly works For the first time Feld locates Wald in the ethnic landscape of her own time as well as ours Revolutionary Legacies Marla Brettschneider,2025-01-01 This book provides a timely new transnational lineage of Jewish feminist revolutionary legacies Using extensive research deep thinking and a bold methodology Marla Brettschneider tousles with a host of anti colonial feminist anti racist and queer troublemakers Jamaica Kincaid Golda Meir Hannah Arendt Frida Kahlo Gertrude Stein and Emma Goldman Brettschneider brings together these feisty women s lives work politics thinking and art to wrestle with big questions How can we make our lives individually and collectively in our diversity as Jews and in grounded solidarity with others How do these women bring out otherwise unidentified unnamed and underexamined issues in Jewish studies feminism politics and a range of critical theories Revolutionary Legacies invites Jews feminists anti racists and all manner of justice seekers to think and create common cause with these rabblers Jewish Women's History from Antiquity to the Present Rebecca Lynn Winer,Federica Francesconi,2021-11-02 This publication is significant within the field of Jewish studies and beyond the essays include comparative material and have the potential to reach scholarly audiences in many related fields but are written to be accessible to all with the introductions in every chapter aimed at orienting the enthusiast from outside academia to each time and place *Index to Jewish Periodicals* ,2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **American Book Publishing Record** ,2003 **The Publishers Weekly** ,2004 **New Books on Women and Feminism** ,2005 **Jewish Currents** ,1972
