Texas Its Land Its People

Ronald Runge

Texas Its Land Its People:

Texas Marjorie Williams, 1972 *Texas* William Trout Chambers, 19?? **The French in Texas** François Lagarde, 2010-01-01 A surprising history of explorers pirates priests artists and more The best overall study of the French experience in Texas ever assembled Jack Jackson editor of *Texas* by Ter n The flag of France is one of the six flags that have flown over Texas but all that many people know about the French presence in Texas is the ill fated explorer Cavelier de La Salle fabled pirate Jean Lafitte or Cajun music and food Yet the French have made lasting contributions to Texas history and culture that deserve to be widely known and appreciated In this book Fran ois Lagarde and thirteen other experts present original articles that explore the French presence and influence on Texas history arts education religion and business from the arrival of La Salle in 1685 to the dawn of the twenty first century Each article covers an important figure or event in the France Texas story The historical articles thoroughly investigate early French colonists and explorers the French pirates and privateers the Bonapartists of Champ d Asile the French at the Alamo Dubois de Saligny and French recognition of the Republic of Texas the nineteenth century utopists of Icaria and Reunion and the French Catholic missions Other articles deal with French immigration in Texas including the founding of Castroville Cajuns in Texas and the French economic presence in Texas today the first such study ever published The remaining articles look at painters Th odore and Marie Gentilz sculptor Raoul Josset French architecture in Texas French travelers from Th odore Pavie to Simone de Beauvoir who have written on Texas and the French heritage in Texas education Includes more than seventy photos and illustrations *Texas, Lone Star Land* Ann Fears Crawford, Lorrin Garfield Kennamer, James V. Reese, 1993-01-01 **Treasure in Earthen Vessels** Jimmy Neff, 2025-06-24 Unlike most local church histories oozing with self congratulations *Treasure in Earthen Vessels* is an honest critical assessment of a rural congregation that built a small unpretentious church in a community that subsequently withered under the strain of economic realities and labor saving technologies In September of 1919 two Baptist families met in an old creaky three room wooden schoolhouse to organize a church in the newly established community of McAdoo Texas This book details the contributions of legacy families committed to living a simple Christian life through the struggles and joys of a rural Baptist congregation The congregation also must navigate the geographical social cultural political religious economic and technological forces often arrayed against them By exploring the contextual history of this Baptist congregation as a case study the book not only chronicles what happened to rural churches and communities experiencing the depopulation of the Great Plains over the past century but also why a cherished way of life simply vanished **Texas Place Names** Edward Callary, 2020-06-02 Was Gasoline Texas named in honor of a gas station Nope but the name does honor the town s original claim to fame a gasoline powered cotton gin Is Paris Texas a reference to Paris France Yes Thomas Poteet who donated land for the town site thought it would be an improvement over Pin Hook the original name of the Lamar County seat Ding Dong s story has a nice ring to it derived from two store owners named Bell who lived in Bell County of

course Tracing the turning points fascinating characters and cultural crossroads that shaped Texas history Texas Place Names provides the colorful stories behind these and more than three thousand other county city and community names Drawing on in depth research to present the facts behind the folklore linguist Edward Callary also clarifies pronunciations it s NAY chis for Neches referring to a Caddoan people whose name was attached to the Neches River during a Spanish expedition A great resource for road trippers and historians alike Texas Place Names alphabetically charts centuries of humanity through the enduring words and occasionally the fateful spelling gaffes left behind by men and women from all walks of life

The Road to Ruin Ronald Runge,2008-07 It takes three titles for this factualized novel to explain to the American people the why and the wherefore it is important to defeat this international road twelve hundred feet wide running from Mexican ports through Texas to Kansas City and Canada Samuel Huston Warner a Texas rancher from Frio County Texas does so explain He is riled that Texas intends to take five hundred of his acres by eminent domain for this road to ruin He further finds it is already pre leased by the Texas governor and Texas legislators to a Spanish corporation secretly tying the action to an already agreed to Mexican American union Sam forms the Longhorn Brigade to fight these anti American concepts His battle against overwhelming odds is the basis for this novel This trans national road using only bureaucratic regulations and Executive directives disguises true motives from the American people and the American Congress Using secret working groups embedded in the Commerce Department and hidden trilateral agreements cheap Chinese imports will be transported unchallenged into America This American European like Union will mean the eventual end to our Constitution and to Americans being self governed The defeat of this new Burma Road is crucial Americans must be informed and become aware That is the Why of this novel You have a duty to read to know and to act

The Man who Rode Midnight Elmer Kelton,1990 Aging cowboy and bronco buster Wes Hendricks just wants to be left alone on his poor ranch even when town developers offer him big money to sell it Wes s grandson reluctantly tries to convince him to give up his home but that was before he too succumbs to the ranch s and a young cowgirl s wild beauty

The Times of Round Top Cynthia A. Thornton,2013-10 Throughout the times of the land we call Round Top one thought has constantly prevailed This is a land of opportunity The land was formed over the centuries into flat land and hills by rivers beyond and by creeks and springs while waiting for animals and mankind to arrive This land is located in the northeastern margin of today s Fayette County and lies on a high hill that looks down toward the south into the bottom lands of a crossing The struggle on this small piece of land began with the movement of animals that needed a convenient place for water that was crossable during the seasons This perfect crossing flows through the south eastern side of the present town of Round Top located between two high hills This crossing was the home of native American Indians American settlers and German immigrants

Spatial and Discursive Violence in the US Southwest Rosaura Sánchez,Beatrice Pita,2021-03-01 In Spatial and Discursive Violence in the US Southwest Rosaura S nchez and Beatrice Pita examine literary representations of settler colonial land

enclosure and dispossession in the history of New Mexico Texas and Oklahoma Sanchez and Pita analyze a range of Chicano and Native American novels films short stories and other cultural artifacts from the eighteenth century to the present showing how Chicano works often celebrate an idealized colonial Spanish past as a way to counter stereotypes of Mexican and Indigenous racial and ethnic inferiority As they demonstrate these texts often erase the participation of Spanish and Mexican settlers in the dispossession of Indigenous lands Foregrounding the relationship between literature and settler colonialism they consider how literary representations of land are manipulated and redefined in ways that point to the changing practices of dispossession In so doing Sanchez and Pita prompt critics to reconsider the role of settler colonialism in the deep history of the United States and how spatial and discursive violence are always correlated
