Texas And The Mexican War Chronicles Of America Part 24:

The Chronicles of America Series: Texas and the Mexican war ,1921 **Texas and the Mexican War** Nathaniel Wright Stephenson,1921 **The Chronicles of America Series** ,1921 Proceedings of the Mississippi Valley Historical Association Mississippi Valley Historical Association,1924 *Atlas of the Historical Geography of the United States* Charles Oscar Paullin,1932 A digitally enhanced version of this atlas was developed by the Digital Scholarship Lab at the University of Richmond and is available online Click the link above to take a look **A Busy Week in Texas** Edward T. Cotham,2021-10-07 In the spring of 1880 Ulysses S Grant former general in chief and two term president of the United States stepped ashore at Galveston and began what turned out to be a seven day whirlwind visit to Texas Because of his past accomplishments and the chance that he might be nominated to serve an unprecedented third presidential term Grant was the most famous and eagerly awaited celebrity ever to visit the Lone Star State The general visited Galveston San Antonio and Houston where he was greeted by thousands of cheering Texans Grant s visit to Texas was the subject of extensive coverage in newspapers across the nation providing a unique time capsule for modern readers The detailed reports of parades banquets receptions and social activities not only document what Grant did at these functions but also provide a record of what the thousands who came to see him said and did The elaborate banquet menus and the word by word transcriptions of after dinner toasts and speeches provide a fascinating window into social activities that are no longer an active part of modern life This book tells the story of Grant s busy week in Texas allowing the reader to see Texas the way Grant experienced it The book also includes a tour guide that will allow readers to literally retrace the general s footsteps to the sites of many historic buildings that still exist today **The Mexican-American War Experiences of Twelve Civil War Generals** Timothy D. Johnson,2024-10-23 Long overshadowed by the American Civil War the Mexican American War 1846 1848 has received significantly less attention from historians partly because of its questionable origin and controversial outcome Rather than treat the conflict with a form of historical amnesia the contributors to this volume argue that the Mexican American War was a formative experience for the more than three hundred future Civil War generals who served in it as lower grade officers The Mexican War was the first combat experience for many of them a laboratory that equipped a generation of young officers with practical lessons in strategy tactics logistics and interpersonal relationships that they would use later to command forces during the Civil War *The United States Catalog* ,1924 **Monthly Bulletin** Carnegie Free Library (Allegheny, Pa.),1920 The Chronicles of America Series: The frontier in politics ,1919
