Texas Legacy Of A Proud Land:

Texas Caleb Pirtle, 1992 Lovely pictures and lengthy text describes the land that is called Texas *The Texas Legacy Project* David A. Todd, David Weisman, 2010-09-15 A city dweller's vacant lot A rancher's back forty A hiker's favorite park When the places that we love are threatened we can be stirred to action In Texas people of all stripes and backgrounds have fought hard to safeguard the places they hold dear To find and preserve these stories of courage and perseverance the Conservation History Association of Texas launched the Texas Legacy Project in 1998 traveling thousands of miles to conduct hundreds of interviews with people from all over the state These remarkable oral histories now reside in an incomparable online and physical archive of video audio text and other materials that record these extraordinary efforts by veteran conservationists and ordinary citizens to preserve the natural legacy of Texas This book holds stories from more than sixty people who represent a variety of causes communities and walks of life from a West Texas grocer fighting nuclear waste to an Austin lobbyist pressing for green energy Each speaks from the heart in personal reminiscences and first hand accounts of battles fought for land and wildlife for public health and for a voice in media and politics These impassioned accounts remind us of the importance of protecting and conserving the natural resources in our own backyards wherever they may be Records of the archive are available at the Briscoe Center for American History at the University of Texas at Austin Five dollars of the cost of this book goes to environmentally friendly materials and processes **Somos Tejanas!** Jody A. Marín, Norma E. Cantú, 2025-02-11 An expansive volume on Tejana identity and Tejanidad told through personal narratives poetry and essays Being Tejanx is different than just being from Texas Being Tejanx means you are a border subject Being Tejanx means living in and from a certain history of oppression possibility activism and cultural linguistic hybridity arising within the US Mexico borderland that is home And being Tejanx means something in particular if you are a woman In *Somos Tejanas* editors Norma E Cant and Jody A Mar n assemble contemporary Tejanx writers who provide firsthand accounts of their experience of identity enriching the field of Tejanx studies through an encounter with gender and sexuality The contributions including personal and scholarly essays poems criticism and artworks explore the heterogeneity of Tejana identity and the sociopolitical movements stories dances music and athletic feats that mark Tejanidad Authors contemplate the history and memory of segregation in Texas the struggles of surviving the unnatural disaster and blackouts of 2021 amid the global pandemic of COVID 19 and the drug war violence and ever tightening immigration restrictions that strangle a transborder way of life shared by millions An unrepentant act of expression from women under attack by state policymakers this collection dispels the silence imposed by colonial erasure **John Graves, Writer** Mark Busby, Terrell Dixon, 2009-12-03 Runner up Violet Crown Award Writer's League of Texas 2008 Renowned for *Goodbye to a River* his now classic meditation on the natural and human history of Texas as well as for his masterful ability as a prose stylist John Graves has become the dean of Texas letters for a legion of admiring readers and fellow writers Yet apart from his own largely autobiographical

works including *Hard Scrabble From a Limestone Ledge* and *Myself and Strangers* surprisingly little has been written about Graves's life or his work. John Graves, Writer, seeks to fill that gap with interviews, appreciations, and critical essays that offer many new insights into the man himself as well as the themes and concerns that animate his writing. The volume opens with the transcript of a revealing, often humorous symposium session in which Graves responds to comments and stories from his old friend Sam Hynes, his former student and contemporary art critic Dave Hickey, and co-editor Mark Busby. Following this is a more formal interview of Graves by Dave Hamrick, who draws the author out on issues relating to each of his major works. John Graves's friends Bill Wittliff, Rick Bass, Bill Broyles, John R. Erickson, Bill Harvey, and James Ward Lee speak to the powerful influence that Graves has had on fellow writers. In addition to these personal observations, nine scholars analyze essential aspects of Graves's work. These include the place of *Goodbye to a River* within environmental literature and how its writing was a rite of passage for its author; Graves as a prose stylist and a literary rather than polemical writer; the ways in which Graves's major works present different aspects of a single narrative about our relationship to the land; the question of gender in Graves's work; and Graves's sometimes contentious relationship with *Texas Monthly* magazine. Mark Busby introduces the volume with a critical overview of Graves's life and work, and Don Graham concludes it with a discussion of Graves's reception and literary reputation. A bibliography of works by and about Graves rounds out the book.

John Graves, Writer, confirms Graves's stature not only within Texas letters but also within American environmental writing, where Graves deserves to be more widely known.

On the Dirty Plate Trail Sanora Babb, 2009-03-06 Runner-up National Council on Public History Book Award 2008. The 1930s exodus of Okies, dispossessed by repeated droughts and failed crop prices, was a relatively brief interlude in the history of migrant agricultural labor. Yet it attracted wide attention through the publication of John Steinbeck's *The Grapes of Wrath* (1939) and the images of Farm Security Administration photographers such as Dorothea Lange and Arthur Rothstein. Ironically, their work risked sublimating the subjects' real people and actual experience into aesthetic artifacts, icons of suffering, deprivation, and despair. Working for the Farm Security Administration in California's migrant labor camps in 1938-39, Sanora Babb, a young journalist and short story writer, together with her sister Dorothy, a gifted amateur photographer, entered the intimacy of the dispossessed farmers' lives as insiders, evidenced in the immediacy and accuracy of their writings and photos. Born in Oklahoma and raised on a dryland farm, the Babb sisters had unparalleled access to the day-by-day harsh reality of field labor and family life. This book presents a vivid firsthand account of the Dust Bowl refugees, the migrant labor camps, and the growth of labor activism among Anglo and Mexican farm workers in California's agricultural valleys linked by the Dirty Plate Trail Highway 99. It draws upon the detailed field notes that Sanora Babb wrote while in the camps, as well as on published articles and short stories about the migrant workers, and an excerpt from her Dust Bowl novel *Whose Names Are Unknown*. Like Sanora's writing, Dorothy's photos reveal an unmediated personal encounter with the migrants, portraying the social and emotional realities of their actual living and working conditions.

together with their efforts to organize and to seek temporary recreation An authority in working class literature and history volume editor Douglas Wixson places the Babb sisters work in relevant historical and social political contexts examining their role in reconfiguring the Dust Bowl exodus as a site of memory in the national consciousness Focusing on the material conditions of everyday existence among the Dust Bowl refugees the words and images of these two perceptive young women clearly show that contrary to stereotype the Okies were a widely diverse people including not only Steinbeck s sharecropper Joads but also literate independent farmers who in the democracy of the FSA camps found effective ways to rebuild lives and create communities

Picturing Texas Robert L. Reid, 1994 This book focuses on some of the most famous photographs ever taken the Farm Security Administration s images of Dust Bowl Texans But there is much more to the FSA photographs than is commonly believed From 1935 to 1943 the critical years of the Great Depression and World War II the photographers in the federal government s Farm Security Administration and later the Office of War Information documented America especially Texas in all its vast complexity Some of the most famous names in documentary photography including Dorothea Lange Russell Lee and Arthur Rothstein took more than five thousand photographs in Texas more than in any other state In addition to the well known pictures of rural poverty and the Dust Bowl these remarkable artists captured a rich panorama of everyday life in Texas s rural areas small towns and big cities By the time they were done there were few areas and aspects of Texas left undocumented Robert L Reid s text traces the history of the FSA and the OWI and discusses the photographers and their work The book also presents more than two hundred magnificent duotone photographs in chapters on cotton cattle oil cities and towns recreation and leisure the Dust Bowl World War II and other themes Readers will be moved by the vast array of images of town meetings and rodeos down and out farmers and prosperous businessmen beer joints and factories black and brown and white
